

LEONART

Daytona 125

Designed in Barcelona by Leonart Motors and with the cooperation of the best custom garages of the country. Taking several of the development themes used in the creation of the existing first model Spyder as starting point, The Daytona design team set out to create an unusual and distinctively attractive new bike that could provide many of the appealing features of larger displacements motorcycles.

The Daytona 125 impressive proportions and confident look.

Recognisable at first glance, the Daytona distinctive lines. The main goal of the project was to create an all-new concept in the class with a machine offering ample size and impressive styling that wouldn't be humbled when pulling up next to a larger displacement motorcycle. The Daytona is full made and manufactured in Barcelona.

It's unique and styling bodywork will certainly prove to be major attention-getters, while its ample size and performance provide comfortable long-term riding enjoyment that is a rare commodity in its class.

Developed for young riders, commuters and day-trippers looking and exiting new way to get around, the Daytona sets the pace in its class with performance, panache and wide range of all-day riding pleasure that is difficult to match, yet easy to enjoy.
