that the power of betrayal and revenge is nothing compared to the power of love **Kissing Under the Spotlight** Joanne Dannon, 2015-12-12 If you look through my phone you would think I was stalking Alex Jackson But I never expected to cross paths with him in real life I've been obsessed with Alex Jackson for years His singing voice is deep and sexy and that smile But I never imagined I would meet him Thanks to being in the right place at the right time he asks me to fill in as his personal physical therapist while he's on tour in Australia Forget stalking I get to massage him in person And better still the bonus pay will help me achieve my dream my own home office As I get to know Alex I realise there's vulnerability beneath his hard demeanour I'm determined to keep things professional but with each passing day my restraint erodes He laughs at my jokes and shares his personal stories and makes me forget he's famous But then we kiss and everything turns upside down We agree to keep things secret because there are a hundred reasons why we can't stay together I need stability in my life Alex has no interest in settling down I'm terrified of the spotlight Alex is used to being fawned over by millions of fans This isn't the life for me Neither of us expect to fall in love Playing the Royal Game Carol Marinelli, 2012-11-13 STOP THE PRESS THE SANTINA JACKSON ROYAL FAIRY TALE FACT OR FICTION It seemed like every girl's dream fall in love with a prince and be whisked off for your very own glamorous happy ever after a royal fairy tale for Allegra Jackson and Prince Alessandro Santina Allegra's headline grabbing family hardly prepared her for a life of public duty and sinfully delicious Prince Alessandro has always seemed virtually allergic to the idea of settling down in Santa Maria Out of all the flamboyant beautiful women his name's been linked with the heir to the throne picked ordinary Allegra with the family from hell Is everything really as it seems regarding the tabloid's engagement of the year **Neon Visions** Brannon Costello, 2017-10-11 In the 1980s Howard Chaykin broke new ground in American comic books with a series of formally innovative iconoclastic works that turned the traditional action adventure tales of mainstream comics into a platform for personal expression political engagement and aesthetic experimentation His original creations American Flagg Time2 and the notorious Black Kiss along with his reshaping of familiar titles like The Shadow and Blackhawk generated acclaim and often controversy as they challenged expectations of the visual design and subject matter permissible in popular comics Today Chaykin remains a vital and prolific artist but despite the original and influential nature of his work he receives scant critical attention In Neon Visions Brannon Costello offers the first book length critical evaluation of Chaykin's work and confronts the blind spots in comics scholarship that consign this seminal artist to the margins He argues that Chaykin's contributions are often overlooked because his comics eschew any pretensions to serious literature Instead Chaykin's work revels in the cliffhanger thrills of heroic adventure genres and courts outrage with transgressive depictions of violence and sexuality Examining Chaykin's career from his early successes to compelling contemporary series such as City of Tomorrow Dominic Fortune and the controversial Black Kiss 2 Costello explores how this inventive body of work through its evolving treatment of the theme of authenticity incisively investigates popular culture's capacity to foster or constrain individual identity and political agency

Challenging prevailing assumptions about the types of comics deemed worthy of scholarly attention Costello reveals that the work of an artist as distinctive as Howard Chaykin demands a nuanced reading one that confronts his unique approach to the comics medium his blending of autobiographical themes and genre trademarks and his engagement with comic books as artifacts of consumer culture *Harlequin Presents December 2012 - Bundle 1 of 2* Sharon Kendrick, Carol Marinelli, Sandra Marton, 2012-12-01 Harlequin Presents brings you three new titles for one great price available now for a limited time only from December 1 to December 31 Enjoy glamorous international settings powerful men and scandalous seductive romance in these three stories This Harlequin Presents bundle includes Back in the Headlines by USA TODAY bestselling author Sharon Kendrick Playing the Royal Game by USA TODAY bestselling author Carol Marinelli and The Dangerous Jacob Wilde by USA TODAY bestselling author Sandra Marton Look for 6 passionate new stories every month from Harlequin Presents
