Over the years more and more deaf researchers have become sign language linguists and the community of Libras scholars have documented this language and built robust resources for linguistic research This book provides a selection of studies by these scholars representing work in a variety of areas from phonology to creative literature Bold Tracks Hal O'Leary,1994 For twenty five years Hal O Leary and the Winter Park Handicap Ski Program have been the acknowledged leaders in adaptive skiing for more than fifty disabilities and have become the model for other programs around the world This guide is essential for instructor and student alike It covers skiing for the visually and hearing impaired as well as the physically and developmentally disabled Phonological Representation of the Sign Wendy Sandler,2011-10-31 No detailed description available for Phonological Representation of the Sign Being Bilingual in Borinquen Alicia Pousada,2017-06-20 The Spanish speaking island of Puerto Rico also known as Borinquen has had a complex linguistic landscape since 1898 due to the United States colonial imposition of English as the language of administration and education Even after 1948 when Puerto Rico was finally permitted to hold its own gubernatorial elections and determine its own language policies controversy regarding how best to achieve bilingualism continued Despite many studies of the language dynamic of the island the voices of the people who actually live there have been muted This volume opens with a basic introduction to bilingualism with special reference to Puerto Rico It then showcases twenty five engaging personal histories written by Puerto Rican language professionals which reveal how they became bilingual the obstacles faced the benefits accrued and the linguistic and cultural future they envision for themselves and their children The closing chapter analyzes the commonalities of their richly detailed stories as well as the variability of their bilingual life experiences in order to inform a more nuanced language policy for Puerto Rico The linguistic autobiographies will resonate with bilinguals of all kinds in Puerto Rico and the Caribbean as well as those in other countries The main message that emerges from the book is that there are many routes to multilingualism and one size fits all language policies are doomed to miss their mark The Complete Idiot's Guide to Palmistry, 2nd Edition Lisa Lenard,Robin Gile,2005-02-01 This updated and revised second edition covers palm and hand reading including an in depth look at individual fingers lines and the shape of the palm and how these can be read to reveal personal insights All new information on health happiness and well being and how a reading can interpret them Worksheets to help beginners chart the dominant characteristics of the hand and what they mean in a reading Exercises examples and detailed line drawings to ease beginners into the practice of palm reading Perfect for beginners and a good quick reference guide for more experienced palm readers **Moonlight Becomes You** Tinnean,2022-03-26 Kyle Winchester has a facility with numerous foreign languages as well as reading and writing Braille but when he fails to hear from the numerous colleges he s applied to he thinks he s destined to spend his life as a busboy Then as luck would have it he learns of an opening at a company in Boston where his knowledge of Braille just might get him the position Off he goes hoping he ll obtain a good job and an even better girlfriend When it turns out it isn t Huntingdon that needs an expert in Braille he turns his sights on the company s

sister organization the Washington Bureau of Intelligence and Security which actually deals in the gathering and dissemination of intelligence The job is good but still no girlfriend April O Shay has a secret she's been keeping for years To prevent a spiteful coworker from outing her to friends family and other coworkers she leaves the small town where she's lived all her life and moves to DC With the help of her previous boss life that's happy except for one minor detail she's not comfortable returning to the dating scene As much as she'd like to find a boyfriend she's afraid her secret will come between them And then one day Kyle is sent on assignment to the Rib Shack to observe a shady character who wants to get his talons into the gay son of the Secretary of the Treasury There he meets April and is quick to realize he's fascinated by her As for April she takes one look at his violet eyes and is smitten It's like at first sight for the two with the promise of developing into much more But Kyle works for an organization that could send him out to kill someone at any time and April has her own secret she's guarding When April reveals she must return home for Christmas for the first time in many years Kyle suggests he accompany her Will her refusal result in their relationship teetering on the brink or will they find a way to trust each other enough to hold on to what they have

Unknown Shore Robert Ruby, 2014-06-10 The true story of how the first English colony in the New World was lost to history then found again three hundred years later England's first attempt at colonizing the New World was not at Roanoke or Jamestown but on a mostly frozen small island in the Canadian Arctic Queen Elizabeth I called that place Meta Incognita the Unknown Shore Backed by Elizabeth I and her key advisors including the legendary spymaster Sir Francis Walsingham and the shadowy Dr John Dee the erstwhile pirate Sir Martin Frobisher set out three times across the North Atlantic in the process leading what is still the largest Arctic expedition in history In this forbidding place Frobisher believed he had discovered vast quantities of gold the fabled Northwest Passage to the riches of Cathay and a suitable place for a year round colony But Frobisher's dream turned into a nightmare and his colony was lost to history for nearly three centuries In this brilliantly conceived dual narrative Robert Ruby interweaves Frobisher's saga with that of the nineteenth century American Charles Francis Hall whose explorations of this same landscape enabled him to hear

the oral history of the Inuit passed down through generations It was these stories that unlocked the mystery of Frobisher's lost colony Unknown Shore is the story of two men's travels and of what these men shared three centuries apart Ultimately it is a tale of men driven by greed and ambition of the hard labor of exploration of the Inuit and their land and of great gambles gone wrong
