even as its unflinching exposure of violence and hypocrisy foreshadows the nightmare realism of Louis Ferdinand Celine Jules Vall s an anarchist and a bohemian dedicated his book to all those who were bored stiff at school or reduced to tears at home who in childhood were bullied by their teachers or thrashed by their parents and it tells the autobiographical tale of a young boy constantly scapegoated and abused emotionally and physically by his peasant mother and schoolteacher father whose greatest concern is to improve their social status But the young hero learns to stand up to his parents even to love them in time and for all the intense pain the book registers it is anything but dreary To the contrary Vall s s book is one of the funniest in French literature a triumph of insubordinate comedy over the forces of order and the self appointed defenders of decency

Kafka in a Skirt Daniel Chac n,2019-10-29 This is not your ordinary short story collection In his newest work Daniel Chac n subverts expectation and bends the rules of reality to create stories that are intriguing hilarious and deeply rooted in Chicano culture These stories explore the concept of a wall that reaches beyond our immediate thoughts of a towering physical structure While Chac n aims to address the partition along the U S Mexico border he also uses these stories to work through the intangible walls that divide communities and individuals particularly those who straddle multiple cultures in their daily lives Set in El Paso and other Latinx dominant urban spaces Kafka in a Skirt is an immersive look into the myriad lives of the characters who inhabit these culturally diverse areas Chac n masterfully weaves elements of the surreal and fantastic through a shining tapestry of fiction creating moments of touching realism in contrast with scenes that are fascinatingly unfamiliar Occasionally teasing the ghosts of Jorge Luis Borges and the Argentine poet Alejandra Pizarnik this collection disregards boundaries and transports readers into a world merely parallel to our own Kafka in a Skirt unravels the intricacies of culture sexuality love and loneliness in a collection that shows the personal implications of barriers while remaining hopeful and bright
