Marine Corps for twenty years including two tours on the front lines of Vietnam He retired as a major at age 38 but was also enlisted for six of those years Don also attended seminary where he received a Masters in Divinity and sometime later a Doctor of Ministry specializing in Strategic Leadership www.knighthoodofchristianwarriors.com **God's Mighty Warriors in the Last Days** Dr. Donald Bell, 2014-07-29 The mission of this book is to provide an understanding of these times by looking at biblical prophecy through twenty first century eyes This book is designed to reach out to Christians who sigh and groan over the ongoing abominations being committed in our country with the hope of raising up strong strategic leaders who will guide many to prepare for the challenging events that will precede the second coming of our Lord The book's contents provide us with an in depth study of the Book of Revelation designed to be a serious field guide to help prepare Christian warriors for the great tribulations which will precede the coming of the Lord Jesus Christ to restore His kingdom on Earth We are on the verge of devastating events that will create great fear and chaos throughout the world and especially in our comfort seeking nation We are no longer free to play the role of civilians for dark times are coming which will open up opportunities to be a strong light for the Kingdom of God in the midst of growing darkness Those who hear the call and seriously prepare will be among the warrior spirited Christians who will be the Lord's anointed witnesses during the great tribulation Equipping Christian Warriors for End-Time Tribulation Donald- Bell, 2012-05-01 Today's Christians need to understand what enlistment in the Army of God truly entails This in depth study of the Book of Revelation is written for the purpose of being a serious field guide to help prepare Christian warriors for the great tribulations which precede the coming of our Lord Jesus Christ to restore His kingdom upon the earth We are right on the verge of devastating events that will create great fear and chaos throughout the world and especially in our comfort seeking nation These are end time events that are quite mystifying but extremely critical for this generation of Christianity to understand The mission of this book is to provide a clearer understanding of these times by looking at biblical prophecy through our 21st century eyes It is intended to feed the warrior spirit within that Christian remnant who are aware of the tremendous challenges that lie shortly before us and are seeking guidance as to what we are about to confront and how to be ready Although there are many different viewpoints concerning eschatology within American churches a common ground between them is that they are all warm and fuzzy teachings that fail to challenge Christians to prepare for the reality of the coming tribulations that our Lord Jesus Christ continually warned us about This book is designed to reach out to those Christians who sigh and groan over the increasingly sinful abominations being embraced by our country with the hope of raising up strong strategic leaders who will guide many to prepare for the challenging events that are rapidly descending upon America and the entire world Christian Warriors we are no longer free to play the role of civilians for dark times are coming providing tremendous opportunities to be a strong light for the kingdom of God **Ancestral Secrets of Knighthood** Brian Starr, 2012-08-03 Ancestral Secrets of Knighthood is a work to show the secrets of the Christian Religion as known by the past relationships of Christian Ancestors

The Nine Worthy Warriors are found in the book as well as many charts relating past Saints to Christian Ancestry The relationships of Galilee are examined as well as the lineage of the Nine Worthy Warriors These are Godfrey of Bouillon Charlemagne King Arthur Judas Macabees Sir Hector Alexander the Great with reference to lineage thru Persia Joshua son of Nun King David of Israel and Judah and the Emperor Julius Caesar There is a study of the Early Saints of the Church and a listing of their family their descendents and their ancestors as well as a brief biography of what the Saint did in order to be raised to the Altars

Warrior R.G. Grant, 2007-09-17 Focusing on the front line soldiers who fought for their tribes their cities their overlords and their countries from the Ancient Greeks who repelled the invading Persians in the 5th century to the US Marines in action in Korea Vietnam and the Persian Gulf this visual history paints a compelling portrait of the front line soldier through 2 500 years of history The third in a series of illustrated military history books following the highly successful Battle and Weapon Warrior features vivid accounts of daily life training and tactics of the ordinary fighting man There are also features on the kit they carried and the weapons they used as well as the part they played in significant battles In addition to celebrated soldiers of Europe and North America there are sections on equally formidable warriors from other parts of the world such as the Mongol horsemen of the 13th century the Aztecs the Samurai of 17th century Japan New Zealand s Maori and the Zulus of South Africa Warrior is organized into six sections covering six distinct periods in the history of warfare Phalanxes and Legions deals with the warfare of Ancient Greece and Rome Conquest and Chivalry explores the age of warriors who fought for either honor or plunder Pikemen and Musketeers charts the advent of gunpowder in the 16th century Empires and Frontiers deals with expansion of empires and the clashes of colonization Trenches and Dogfights looks at the mechanized warfare of World War I and II when the development of tanks aeroplanes and submarines as weapons of war marks the beginning of a completely new era and Guerillas and Commandos shows that despite the proliferation of death dealing machines the ordinary soldier still retains a role sometimes highly specialized such as helicopter borne infantry or guerrilla forces like the Vietcong who managed to resist the most powerful army on earth

The Rise & Fall of the Mounted Knight Clive Hart, 2023-01-05 The medieval mounted knight was a fearsome weapon of war captivating and horrifying in equal measure they are a continuing source of fascination They have been both held up as a paragon of chivalry whilst often being condemned as oppressive and violent Occupying a unique place in history knights on their warhorses are an enigma hidden behind their metal armor and seemingly unreachable on their steeds This book seeks to understand the world of the medieval knight by studying their origins their accomplishments and their eventual decline Forged in the death throes of the Roman Empire the mounted knight found a place in a harsh and dangerous world where their skills and mentality carved them into history From the First Crusade to the fields of Scotland knights could be found and their human side is examined to see how these men came to both rule Europe and ride into enduring legend The challenges facing the mounted knight were vast and deadly from increasingly professional and competent infantry forces to

gunpowder the rise of political unity and the crunch of finance The factors which forced the knight into the past help to define who and what they were as well as the legacy that they have left indelibly imprinted on the world The standout feature of this book is the focus on the equine half of the partnership from an author who practices the arts of horsemanship on a daily basis including combat with sword and lance The psychology of the horse refined by the experience of actually training warhorses has helped the author to add to the body of academic work on the subject This insight opens up the world of the mounted knight and importantly and uniquely challenges the perception of what he and his horse could really do The Priest The Knight and Zeus Brian Starr,2019-09-05 The Title Grad is earned by a Degree from College or University The Author is Degree at Durham Technical Community College and Thomas Edison State College that became a University in 2015 Major Electronics Engineering Much of that course work applies to Authorship as well as courses at Volunteer State in Sumner County Tennessee The Author has over 120 Title for Sale on the Book Market The Author myself Brian Daniel Starr has faced opposition daily as Engineering as the Executive function is to defeat the opponent and then make sure they did not jump when told to take a long walk off a short pier The Author supports Freedom of a Free Press and Freedom of the press thru his past membership in the American Legion The Author is a current member of the Authors Guild The Author has many titles published including Poetry Christian Literature Travel Pictorials and Studies in Engineering Manuals

Chivalry and the Ideals of Knighthood in France during the Hundred Years War Craig Taylor,2013-10-10 Craig Taylor s study examines the wide ranging French debates on the martial ideals of chivalry and knighthood during the period of the Hundred Years War 1337 1453 Faced by stunning military disasters and the collapse of public order writers and intellectuals carefully scrutinized the martial qualities expected of knights and soldiers They questioned when knights and men at arms could legitimately resort to violence the true nature of courage the importance of mercy and the role of books and scholarly learning in the very practical world of military men Contributors to these discussions included some of the most famous French medieval writers led by Jean Froissart Geoffroi de Charny Philippe de Mezières Honorat Bovet Christine de Pizan Alain Chartier and Antoine de La Sale This interdisciplinary study sets their discussions in context challenging modern romantic assumptions about chivalry and investigating the historical reality of debates about knighthood and warfare in late medieval France

THE IRON KNIGHT OF MALTA Joe L Caruana MBE,2013-05 The author has written this novel with a sentimental feeling about the land of his ancestors the Maltese people A people who have shown remarkable courage and faith on many occasions in the history of the Mediterranean The story of this book tells of their courage during the Great Siege of 1565 just as Voltaire said No siege is better known than that of the Great Siege of Malta The five century old religious fight between Christians and Muslims known as the battle between the Cross and the Koran drifted to the shores of Malta where the Order of St John of Jerusalem had their headquarters It produced many heroes and tyrants several of these are the subject of our novel The great Sultan Suleiman the Magnificent unchallenged emperor of the Great Ottoman Empire

tries to impose Islam over Christian Europe During five centuries the Christian Crusaders were slowly expelled from the Holy Land and now the great Sultan drives out the Order of St John of Jerusalem from their last stronghold the fortress in the island of Rhodes Then the battle shifts to the brave Island of Malta where its people play an important role in helping La Valette and the Order fight the Turks Jean De La Valette commander of the Order s Christian navy knight adventurer and defender of the faith engages famous Muslim pirates like Barbarossa and Dragut Reis and harasses on the huge Turkish navy He seeks to recover the Holy Cross taken by the Saracens The secret of a forbidden romance in the paradise island of Rhodes haunts this warrior monk of eighty four battles a unique man enslaved by the Saracens and then escapes He is later elevated to the position of grand master of the Order of St John of Jerusalem and Rhodes He was considered by his peers to be the man for the moment restoring the order to its former glory One man Jean De La Valette the greatest of the grand masters the rarest of human beings defeats the Sultan s Ottoman army in the Great Siege of Malta in 1565 La Valette became known as the Scourge of Africa and Asia the Shield of Europe fearless and indomitable by his Holy Arms With only seven hundred Knights and several thousand Spanish Italian Portuguese soldiers and fifteen thousand Maltese civilians men women and children alike he repels the great Turkish army of over forty thousand troops A great historical novel of a great man and a valiant and victorious people the people of Malta

Knighthood in the Morte Darthur Beverly Kennedy,1992 A lucid and rich analysis eminently suited to students at undergraduate and graduate levels CHOICEBeverley Kennedy puts Malory s concern with knighthood at the very heart of the Morte Darthur She identifies three types of knight the Heroic Gawain the Worshipful Tristram and Arthur and the True Lancelot Gareth and the Grail Knights and argues that this knightly typology creates the thematic unity of the Morte Darthur It also allows Malory to develop two quite different contexts one pragmatic and political the other religious and providential within which the reader may judge why Arthur s reign ended in catastrophe BEVERLEY KENNEDY is Professor of English at Marianopolis College Canada
