*German 88mm Gun vs Allied Armour* David Campbell, David Greentree, 2021-02-18 Few weapons developed a more deadly reputation than the German 88 in the role of anti tank gun its long reach and lethal hitting power making it a significant problem for every type of British and later American armour Despite its individual potency it was almost always utilized as part of a comprehensive system of defences that relied on a mix of weapons carefully deployed in anticipation of the enemy s likely avenue and method of attack Used in this way the 88 became a particularly deadly part of the Afrika Korps attempts to shatter British armoured power in the Western Desert Initially extremely successful over the course of 1941 and 1942 in Operations Battleaxe and Crusader the Allies tactics and vehicles such as the American made M3 and the Crusader III eventually evolved to deal with the 88 s awesome power This detailed new book tells the story of that evolution and provides an in depth treatment of this key weapon of World War II **Military History**, 2005-04 Hitler's Panzer

Generals David Stahel, 2023-05-04 Germany s success in the Second World War was built upon its tank forces however many of its leading generals with the notable exception of Heinz Guderian are largely unknown This biographical study of four German panzer army commanders serving on the Eastern Front is based upon their unpublished wartime letters to their wives David Stahel offers a complete picture of the men conducting Hitler s war in the East with an emphasis on the private fears and public pressures they operated under He also illuminates their response to the criminal dimension of the war as well as their role as leading military commanders conducting large scale operations While the focus is on four of Germany s most important panzer generals Guderian Hoepner Reinhardt and Schmidt the evidence from their private correspondence sheds new light on the broader institutional norms and cultural ethos of the Wehrmacht s Panzertruppe The

*Hermann Balck, Hitler's Forgotten General* Philip

Kay-Bujak,2025-11-15 Though less famous than Rommel or von Manstein Hermann Balck was considered by peers and enemies to be among the most talented German commanders of the Second World War He was a veteran of the First World War in which he served as a junior officer on the Western Eastern Italian and Balkan fronts and was wounded seven times In 1940 he led the successful crossing of the River Meuse with dramatic consequences Balck led from the front in the new and very dynamic and aggressive command style of Auftragstaktik continuously touring forward HQs to brief officers personally regardless of personal risk He refused two offers to join the General Staff preferring to remain in combat roles Balck was a pivotal moving force behind the growth of the Panzer forces In 1942 he commanded a depleted division against massive odds virtually destroying Soviet 5th Tank Army He was rewarded with the Knights Cross with Oak Leaves Swords and Diamonds one of only 27 recipients He briefly commanded Grossdeutschland Panzergrenadier Division and suggested Hitler was wrong in how the Waffen SS was constructed Philip Kay Bujak argues that had Hitler ignored Balck s criticisms of the Waffen SS and promoted him Field Marshal Balck might have changed the course of the war on the Eastern Front It was also Balck that nearly defeated the Americans at Salerno in 1943 Commanding Army Group G in 1944 he came up against General Patton but could not halt his advance in Alsace First sacked then reinstated by Hitler he fought on until surrendering to US forces on 8 May 1944 to avoid capture by the Soviets Post war as a convicted war criminal Balck chose obscurity and refused to take part in US interviews but by the 1980 s he changed his mind on both and advised NATO on how to win a land war against Russia his tactics are still relevant today

**Elite Panzer Strike Force** Franz Kurowski,2012-04-23 The Panzer Lehr Division a German armoured division during World War II was one of the most Elite units in the entire German Wehrmacht Heer It was formed in 1943 from various units of elite training and demonstration troops stationed in Germany to provide additional armoured strength for resisting the anticipated Allied invasion of western Europe Its great weakness was that it concentrated the cream of Germany s tank commanders and instructors in a single unit Due to its elite status it was lavishly equipped in comparison to the ordinary Panzer divisions though on several occasions it fought almost to destruction in particular during Operation Cobra For the first time in English this book follows the division from Normandy and the Battle of the Bulge to the end of the war showing how Germans fought Americans at St L and Bastogne Written in Kurowski s trademark you are there style this includes numerous firsthand accounts based on interviews with veterans
