**Pilgrimage in the Marketplace** Ian Reader, 2013-09-11 The study of pilgrimage often centres itself around miracles and spontaneous populist activities While some of these activities and stories may play an important role in the emergence of potential pilgrimage sites and in helping create wider interest in them this book demonstrates that the dynamics of the marketplace including marketing and promotional activities by priests and secular interest groups create the very consumerist markets through which pilgrimages become established and successful and through which the sacred as a category can be sustained By drawing on examples from several contexts including Japan India China Vietnam Europe and the Muslim world author Ian Reader evaluates how pilgrimages may be invented shaped and promoted by various interest groups In so doing he draws attention to the competitive nature of the pilgrimage market revealing that there are rivalries borrowed ideas and alliances with commercial and civil agencies to promote pilgrimages The importance of consumerism is demonstrated both in terms of consumer goods souvenirs and pilgrimage site selection rather than the usual depictions of consumerism as tawdry disjunctions on the sacred As such this book reorients studies of pilgrimage by highlighting not just the pilgrims who so often dominate the literature but also the various other interest groups and agencies without whom pilgrimage as a phenomenon would not exist

**God is Needed** Fr. Pat Sheedy, 2025-07-25 Much like his first book *God is Able* this book is for the religious and laity alike Packed full of events that will encourage all to see how God is so needed in the world today and wants us to join with Him in His work This book continues to tell us how God things happen just about every day if we remain in Him listen to His promptings and have the courage to proceed In this book Father Pat uses examples from his early calling into the priesthood and through all his various ministry involvement over the last sixty years The reader will find inspiring and very relevant urgings from God such as the following There is so much we can do and which we have to do God will not do it for us He could do it It is just that He wants us to be partners with Him We like Him are created to share develop and share all He has given us When we unselfishly share we are imitating God It must be one of the greatest blessings Jesus gave the church to forgive sins in His name Father Pat over the years has been inspired in his spiritual journey because of his annual prayerful visits to three of Ireland's holy places of pilgrimage Knock Shrine Ireland's Holy Mountain Croagh Patrick and Lough Derg's three day heavy penances These pilgrimages are designed to inspire individuals to take time and space apart from their normal busy life to pray to meditate to focus to regroup and to get reenergized for their normal fully busy lives The uplifting stories in *God is Needed* will direct us to the ever present need for God and inspire us to partner with Him in the work of caring for His people

around the world identify and join with Mary in their struggle against social injustice and how others mobilize Mary to impose ideas and rules and legitimize acts of violence and suppression Far from an outdated practice of little relevance to the modern world Marian pilgrimage expresses the deep and urgent concerns of a wide range of people With examples of Marian pilgrimages from all over the world Moved by Mary explores the ways in which men and women of different ages and religious political social economic and ethnic backgrounds empower themselves to deal with modern day issues with Mary's help The ethnographic cases reveal the cultural and devotional variation of Marian pilgrimage but also global similarities Collectively the contributors to Moved by Mary show how in many places religion dramatically suffuses everyday life *The Message* Joe Coleman, 2016-05-10 Joe Coleman made world headlines when he revealed that the Blessed Virgin would be appearing in Knock County Mayo in September 2009 Many of the 10 000 people who showed up that day claimed they saw the sun dancing and Joe himself received a message from Our Lady Though mistrusted and hounded by the official Church and some in the media Joe earned the respect and trust of many more Now for the first time Joe Coleman tells his own story A humble man from a very ordinary background Joe had the gift of second sight from an early age He first saw Our Lady when he was just twelve years old Then at the age of 33 Joe broke his back in an accident he technically died on the operating table waking 30 minutes later to the astonishment of the doctors and nurses During this time Joe claims he visited heaven seeing the most beautiful sights of his life It was after this experience that Joe's true spiritual calling came into its own and he soon gained a reputation as a remarkable healer and clairvoyant He spent twenty years healing people who came to him During this time he continued to receive messages from the Blessed Virgin All changed in March 2009 when Our Lady appeared and asked him to bring a young man to Medjugorje This led to the remarkable events of the past year The Message is a powerful true story of faith and revelation It culminates with the messages Joe has received from Our Lady messages of incredible changes coming to our world changes that will see hope triumph over despair as long as we pray *Those Who Saw Her* Catherine M.
