## **Know Your Mate And Enjoy Marriage Relationship Non Fiction:**

**Know Your Mate & Enjoy Marriage** Randall Foreman, 2017-08-28 Randall Foreman in his many years as a counselor has discovered the significance in prevention intervention and sustainability when maintaining a healthy relationship. *Know Your Mate Enjoy Marriage* depicts a marriage that withstood many challenges, endured disappointments and tragedies and was able to weather the storms. It turned out to be a rather extraordinary and fulfilling journey. In this conversation, Foreman uses personal experiences and observations acquired while mentoring hundreds of couples to offer a plethora of proven techniques designed to strengthen and deepen love relationships. Regardless of whether you are dating, courting, contemplating marriage or are currently married, you will find the pages of this book inspirational and applicable in diverse circumstances including yours. *Know Your Mate Enjoy Marriage* aims to reveal the beauty of preserving a relationship in contrast with giving up and ignites the zeal in you to immerse yourself in recovering an ailing relationship. While being practical, resourceful and personal, this reading will help you develop effectual communication styles and learn conflict resolution strategies and the secrets in building healthy and lasting relationships while reminding you why they're worth fighting for.

*Monsters in Love* Resmaa Menakem, 2023-01-31 A gritty down to earth guide for real life couples. Conflict is a natural part of any intimate relationship. Yet most couples either avoid it or try to smooth over their differences. This often results in at least one partner compromising their integrity and stunting their own growth. *Monsters in Love* challenges the idea that conflict between partners is unhealthy or something to avoid. Instead, it encourages both people to stand by what they need and who they are but to do so with compassion rather than competitiveness or vengefulness. This book is about the reality of committed intimate relationships which are designed to inspire both people to grow up. It challenges some common misperceptions about what makes for a successful partnership. It also rocks the boat of psychotherapy, calling out therapists who don't bring their best to their clients. Instead of comforting fantasies or false promises, *Monsters in Love* offers you and your partner a chance to make your relationship and your lives much bigger and more emergent.

*Couples* Kate Figes, 2010-01-21 These days many of us enjoy unrivalled freedom and equality when it comes to choosing and building a relationship. Yet new myths about how to live and love compromise that happiness. Kate Figes argues that whether married or cohabiting, gay or straight, remarried or a couple living apart, the quality of our intimate relationship is fundamental to our long term health and happiness because our need for commitment and love hasn't changed. This is not a handbook. There are no easy Mars and Venus universal recipes for success because relationships are far too complicated, individual and important for easy answers. But learning how others sustain lifelong love and what really goes on in other people's lives can help us to understand our own partnerships and take responsibility for making them work. *Couples* is an incisive and important look at how we can learn to make love endure.
