profound and unsettling examination of America in crisis is an exceedingly provocative book certain to arouse controversy but offering a point of view that needs to be heard Booklist about how bitter hopelessness and malaise have resulted in a culture of sadism and hate America says Pulitzer Prize winning reporter Chris Hedges is convulsed by an array of pathologies that have arisen out of profound hopelessness a bitter despair and a civil society that has ceased to function The opioid crisis the retreat into gambling to cope with economic distress the pornification of culture the rise of magical thinking the celebration of sadism hate and plagues of suicides are the physical manifestations of a society that is being ravaged by corporate pillage and a failed democracy As our society unravels we also face global upheaval caused by catastrophic climate change All these ills presage a frightening reconfiguration of the nation and the planet Donald Trump rode this disenchantment to power In his forceful and direct Publishers Weekly America The Farewell Tour Hedges argues that neither political party now captured by corporate power addresses the systemic problem Until our corporate coup d tat is reversed these diseases will grow and ravage the country With sharply observed detail Hedges writes a requiem for the American dream Kirkus Reviews and seeks to jolt us out of our complacency while there is still time *NIVAC Bundle 2: Historical Books* Robert L. Collateral Damage Chris Hedges, Laila Al-Arian, 2009-02-10 Collateral Damage brings together testimony from the largest number of on the record named combat veterans who reveal the disturbing daily reality of war and occupation in Iraq Through their eyes we learn how the mechanics of war lead to the abuse and frequent killing of innocents They describe convoys of vehicles roaring down roads smashing into cars and hitting Iraqi civilians They detail raids that leave families shot dead in the mayhem And they describe a battlefield in which troops untrained to distinguish between combatants and civilians are authorized to shoot whenever they feel threatened **Joshua** Robert L. Pagan Ethics Michael York, 2015-08-05 This book is the first comprehensive examination of the ethical parameters of paganism when considered as a world religion alongside Christianity Islam Judaism Hinduism and Buddhism The issues of evil value and idolatry from a pagan perspective are analyzed as part of the Western ethical tradition from the Sophists and Platonic schools through the philosophers Spinoza Hume Kant and Nietzsche to such contemporary thinkers as Grayling Mackie MacIntyre Habermas Levinas Santayana etc From a more practical viewpoint a delineation of applied pagan ethics is then presented in connection with current moral issues such as same sex union recreational drugs environmental awareness abortion and terrorism Finally overviews of sectarian pagan ethics Shinto Santeria Heathenism Druidry Romuva Slavic Kemeticism

Classical and Wicca provide both the general and pagan reader with an understanding of the provocative range and differentiation of pagan ethical thought The book approaches the Western ethical tradition as an historical development and a continuing dialogue The novelty of this approach lies in its consideration of paganism as a legitimate voice of religious spirituality rather than a satanic aberration or ridiculous childish behavior The book is aimed at both the contemporary Western pagan and anyone with an interest in the moral dilemmas of our times and the desire to engage in the global ethical discussion Among the more important features of the book are its presentation of a re evaluation of idolatry the notion of the virtue value the richness of the pagan tradition and the expansion of Western ethics beyond its Christian heritage Across the Board ,2005 **Book Review Index** ,2006 Every 3rd issue is a quarterly cumulation
