**Muds, Rockers, and the Music of the British Invasion** James E. Perone, 2008-11-30 Musical floodgates were opened after the Beatles' first appearance on *The Ed Sullivan Show* on February 9, 1964 Suddenly the U.S. record charts radio and television were overrun with British rock and pop musicians Although this British Invasion was the first exposure many Americans had to popular music from the United Kingdom British pop and more specifically British rock and roll had been developing since the middle of the 1950s Author James Perone here chronicles the development of British rock from the 1950s imitators of Elvis Presley and other American rockabilly artists to the new blends of rockabilly R B Motown and
