In Times Like These Pastor Robby Stewart, 2022-04-06 No one would have ever imagined that the COVID 19 pandemic and the results of it would have continued as long as it has What was once thought to be just a brief interruption to our normal way of life continued on through the summer of 2020 and well into 2021 On top of all the chaos of stay at home orders mask wearing and no large gatherings we entered into a time of conflict with riots no law and order in some cities and violence that led to death at what was to be a peaceful protest Then after the fallout of an unprecedented election culminating in the Capitol riots for the first time many Americans felt like this was becoming the new normal In this book In Times Like These I addressed these issues with our church from a biblical perspective

through daily Facebook posts It was a means of keeping our congregation patient focused and prayerful during these times Not only were these writings timely for present crises but they are also timely for any other future crises that our nation may be confronted with and for personal crises as well [Catalog of Copyright Entries](#) Library of Congress.
