Love Letters To Sports Moments In Time And The Ties That Bind:

Love Letters to Sports John Clendening, 2011-10-19 At a time when the sporting world seems to be losing its perspective author John Clendening provides another viewpoint In Love Letters to Sports he celebrates sports at its best its moments in time that capture our hearts and remind us of the role it can play as a touch point in our lives In this memoir Clendening narrates his special sports moments such as his first ever road trip with his eight year old son and how his sons sports obsession at a young age reminds him of his own He tells of going to a football game in Texas and falling in love all over again with a certain cheerleader and how his favorite announcer brought him to tears on the night his youngest daughter was born This collection of 19 personal essays pays tribute to our own moments in time and moments in life when sports play a supporting role in creating memories never to be forgotten From football to tennis from baseball to golf from the fields of youth to the armchair of middle age this is not a book about love nor is it one about sports Its about the many times and places the two have met in one mans life *Routledge Handbook of Sport History* Murray G. Phillips, Douglas Booth, Carly Adams, 2021-09-19 The Routledge Handbook of Sport History is a new and innovative survey of the discipline of sport history Global in scope it examines the key contemporary issues in sports historiography sheds light on previously ignored topics and sets an intellectual agenda for the future development of the discipline The book explores both traditional and non traditional methodologies in sport history and traces the interface between sport history and other fields of research such as literature material culture and the digital humanities It considers the importance of key issues such as gender race sexuality and politics to our understanding of sport history and focuses on innovative ways that the scholarship around these issues is challenging accepted discourses This is the first handbook to include a full section on Indigenous sport history a topic that has often been ignored in sport history surveys despite its powerful upstream influence on contemporary sport The book also reflects carefully on the central importance of sport history journals in shaping the development of the discipline This book is an essential reference for any student researcher or scholar with an interest in sport history or the relationship between sport and society It will also be fascinating reading for any historians looking for fresh perspectives on contemporary historiography or social and cultural history **Julia's Angels** John Clendening, 2025-08-18 One of America s most famous murders may be headed to the U S Supreme Court It is the story of a lifetime for fictional New York Times reporter Marshall McDougal But chasing it soon turns into a roller coaster ride of competing suspects hottempered editors one too many black SUVs and maybe even what s left of the long lost murder weapon The biggest twist of all Marshall himself becomes the story Julia s Angels is a love letter to the Northeast It is also a long overdue salute to the victim s mother and her angels the journalists who through the years kept the story and thus her daughter s memory alive Enjoy the ride as it carries you through the fade of summer the splendor of fall and the onset of winter s chill *Simple Glory* John Clendening, 2018-10-10 They re called the WHAT Young California journalist Marshall McDougal can t believe what he sees
