A shade of Shakespeare (A book of Sonnets) RON S KING,2012-10-14 I have entitled this book of some 300 Sonnets A SHADE OF SHAKESPEARE This stems from my admiration for the Bard and his works If it's said that I have tried to imitate his style then of course I have It is soon noticed that while each sonnet does have three quatrains and an ending couplet while each line has ten syllables to each I do not borrow the need of any iambic pentameters In this light I would call my sonnets Contemporary Sonnets This work covers the three small books of 100 sonnets in each which are already out there in public domain I trust that you read and enjoy this book and find it a delicate company during an evening's read Ron S King

Signs That It's Time to Let Go of That Relationship Margaret Light,2025-04-15 Signs That It's Time to Let Go of That Relationship delves into the emotional and psychological indicators that a relationship has reached its end From growing emotional disconnection to repeated patterns of dysfunction this story explores how toxic dynamics lack of effort and fading respect can erode love and happiness It guides readers through recognizing when a relationship no longer supports personal growth or well being offering empowering advice on how to navigate the difficult decision to walk away Ultimately the narrative encourages embracing self love healing and the possibility of building healthier more fulfilling relationships moving forward

In the shade of Shakespeare Vol.11 RON S KING,2012-09-11 This small book is the second book of one hundred sonnets which stand in the shade of Shakespeare I write this because I am only a shadow of the Bard's pen and in all my years of writing and reading poetry I have not yet seen anyone to match his craft I hope you enjoyed the first volume of my Sonnets and I trust you will find the same enjoyment in this book and might reasonably await the next volume with a same appreciation I thank you for your time and wish you a happy reading Ron S King
