Love, Nature, Faith ... and Cowboys Stephen M. Nichols, 2014-04-29 Love Nature Faith Cowboys Subjects of inspiration and wonder Much could be said on any one of them how they make us feel how they change our perceptions of our world and of ourselves how they fill us with hopes and dreams and how our world is better for us having experienced them Yes even the cowboys Normally an author would focus on a single topic in the hopes of conveying a message But in love nature faith and cowboys Stephen M Nichols shares four themes which though disparate lend themselves to his unique brand of poetry Together they share some common elements of interest and involvement to which most readers can relate You are invited to peruse the poetic thoughts and musing of Stephen M Nichols May you be inspired reminded of wonder provoked to thought and be moved by the emotions contained within his words
