Love You Best Little Moose:

I Love You Best Little Moose Rachael, Sanger, 2015-11-10 Get swept away to the north with this emotional children's book as Little Moose opens his eyes for the first time to discover the world around him through the majesty of Alaska's unique animals, places and scenes. Through the height of mountains, through the beauty of sunrises and the brightness of stars, your child will gain a better understanding of the amount of a parent's love. Follow Little Moose page by page as he tries to guess what his parent loves more than all the beauty that Alaska offers. You and your child will find this story charming and endearing with its colorful illustrations that truly express the limitless love a parent feels for their child. **I Love you Best Little Moose** is a book that you will want to read over and over again with your loved one. Where the Best Began L. D. Bergsgaard, 2012-05 It's true what many say: Time and age have a way of rounding off the edges and making jagged pieces of the past seem clear and smooth and bright. But for those of us growing up in the small prairie town of Mandan, North Dakota, in the 1950s, those truly were times when every day was an adventure, every neighbor was a story, and everyone belonged somewhere because we were all connected and trusted others to know that. Young Moose knows it's going to be an unusual year when his new teacher looks like a goat and is even ornerier, a neighborhood posse is hot on the trail of a felon, and the ancient ghosts are dancing in the light of a full moon. His days are full of trials, including the cancelling of Christmas, tittering on the brink of flunking a grade, and losing his position as catcher on the baseball team. It's also a time of runaway horses and bucking pigs, a quest for the truth of the birds and the bees, and of taking a giant step towards manhood. Come follow Moose and his friends: an Indian Shaman, a Gypsy King, and a mystical boy named Mickey as they travel through the adventures. Page 4 of cover. Purple Diamonds Dance Steven M. Grames, 2011-03-14 The courageous true story of a married couple living life with the trials of juvenile diabetes. **I Love You Best Little Moose**, 2015 **Mooseheart Magazine**, 1921 **Life**, 1901 **Forest and Stream**, 1899 The Dairy Farmer, 1924 Enjoy the View Sarah Morgenthaler, 2021-01-19 The award-winning author of *The Tourist Attraction* turns up the charm with this wild, funny, and unforgettable small town romance. When bold former Hollywood darling River Lane heads to Moose Springs, Alaska, to film a documentary, she's out to reclaim her future, no matter how grumpy the townsfolk or how steep the mountains. But after the locals turn her down, the only hope of finishing her film might be from the quiet brooding Easton Lockett. He may be a gentle giant, but he knows a thing or two about survival. Together, River and Easton must outwit unpredictable weather, quirky wildlife, each other's stubborn resolve, and their fierce chemistry. It'll take all of Easton's skill to get them home safely, and just maybe convince River she should stay in his arms for good. Bursting with laugh-out-loud moments, charming side characters, and sparkling banter, *Enjoy the View* is a must-read where the scenery is as breathtaking as the slow burn. Praise for *Enjoy the View*: Delightful, refreshing, and authentic. This is a treat. Publishers Weekly. Fans of the series will be happy.
