## Love Nina:

*Love, Nina* Nina Stibbe, 2014-04-22 Breezy sophisticated hilarious rude and aching with sweetness *Love Nina* might be the most charming book I've ever read Maria Semple author of *Where'd You Go Bernadette* In 1982 20 year old Nina Stibbe moved to London to work as a nanny to two opinionated and lively young boys In frequent letters home to her sister Nina described her trials and triumphs there's a cat nobody likes supertime visits from a famous local playwright a mysteriously unpaid milk bill and repeated misadventures parking the family car Dinner table discussions cover the gamut from the greats of English literature to swearing in German to sexually transmitted diseases There's no end to what Nina can learn from these boys rude words and their broad minded mother the who's who of literary London A charming hilarious sweetly inspiring celebration of bad food and good company *Love Nina* makes a young woman's adventures in a new world come alive

*Mi Esposa* Jessie Juan Glenn, 2014-05-22 *Mi Esposa* will take you on a heart pounding journey through the life of Jamie Rico Emerson while taking you on an emotional tour of love in its truest and rawest form You will see how true love can't be stopped or limited by any boundary no matter what the price that one may have to pay to protect a loved one while displaying the deepest depths of betrayal and deception by the one you least expect Jamie a young American child who had never identified with his family was stripped of a childhood by America's drug epidemic leaving him angry and driven to prove himself Jamie saw firsthand what people were capable of After being compelled to become someone he wasn't he learned who he was and lived the life he wanted Jamie ran from what he became but was forced to return to the person he thought no longer existed to protect the wife who meant everything to him However Jamie didn't know if his wife truly needed him or was part of the deception that turned him back into the person he thought no longer existed Jamie's lesson in life was he had to learn that no matter how hard he tried to protect his loved ones the decisions he made to protect them are what pushed them away and forced him to make the ultimate decision to follow the Word of God or to follow his heart and protect those whom he loved the most

The Dramatic Journey of Eugene O'Neill and Samuel Beckett Jaya Kapoor, 2020-06-25 The moderns found these two writers to be one of them and the post moderns said their essence was post modern They were found to have deep existential core and humanism was the defining spirit of their works When a writer writes with deep empathy for the human situation the work is freed from the traps of ideologies and techniques It reaches out to people beyond time and space Truth is complex and individual in manifestation but simple and universal in essence This simplicity is the most difficult to achieve and most prized achievement of an artist This simplicity of the communication is what the journey of O'Neill and Beckett has been all about Their journey is marked by unsparing effort to give a universal metaphor to an immensely subjective experience The voices of two of the greatest dramatists come together to tell not just what drama has been all about in the 20th Century but also what it is in our own day It looks not just into the plots or characters to understand their works but also how they communicated so much more through the way they visualized the technical aspects and theatrical

Adam Donatello and Nina Morales share an immediate and powerful attraction, and their future together seems assured. But love is difficult enough without adding complications, real or imagined, to the mix. Nina sees life as a thousand shades of gray, while Adam tends toward black and white. He wants to move fast; she needs time. Nina sees her past liaisons with women as immaterial to their relationship, while her disclosure drives Adam to a state of irrational jealousy. He doesn't know how he could compete with a woman, and his suspicions, which Nina views as hypocritical, lead them both to make decisions they may live to regret.
