

An aerial photograph of a city, likely New York City, taken from a high vantage point. The image is dimly lit, with a warm, orange glow from the setting or rising sun in the upper left corner. The city's grid pattern is visible, with numerous buildings and streets. A large, multi-lane highway or bridge structure is prominent on the left side of the frame. Overlaid on the center of the image is a quote in white text.

loved has found a place at the
grown-up table and here you are, still
searching. Still grasping, still alone.
