Research and Discussions in Critical Discourses and Remedies in Global Health Education Ashti A.

Doobay-Persaud, Tracy L. Rabin, Tomlin Paul, Jessica Evert, Benedicta Ayiedu Mensah, 2024-10-01 Global Health a field of study research and practice defined in 2009 with precursors in international health and development is currently reckoning with itself The field has well intended goals emphasizing collaboration and dialogue between population health public health clinical care and other disciplines to address socioeconomic determinants of health and employing interdisciplinary approaches to address health inequities wherever they exist Despite these lofty ideals there are concerns that the field itself has historically served to reinforce rather than deconstruct colonialism and power imbalances At this point in time the field has evolved toward a vision of a community of practice between institutions across the income spectrum HIC LMIC LIC working in bidirectional and multidirectional ways to develop staff staff space systems and strategies to eliminate health disparities However with deeply rooted colonial assumptions racism elitism and other forms of bias underlying institutions and individuals initiatives operating under the auspices of Global Health are all too often antithetical to the pursuit itself

Afghanistan Linda Howard Martin, 2012 For This I Went to Afghanistan is an inspirational book of a mother's attempt to repair an estranged relationship with her young adult daughter that became a renewal of her relationship with God After a bitter divorce Linda deployed to Afghanistan as a member of the United States Army She wrote the weekly updates to reconnect with her daughter Tabitha Tabitha ignored them at first but Linda's friends and family did not Her address list grew rapidly and soon Tabitha took notice What Linda gained through writing the updates was more than she had ever hoped to gain Reconnecting with Tabitha actually allowed her to reconnect with God in a very unconventional yet beautiful way

Monahan,2009 Almost as if it were a dream day number 360 came and I was transported into another world The flights were long but within just a couple of days I found myself back at my original starting point Salt Lake City Utah Before arriving in Salt Lake City though I was greeted by my parents and my in laws at Baltimore Washington International BWI airport As I scrambled through the baggage claim area and customs I made my way towards my release from the regimented deployment world Both sets of parents were poised and ready to greet me and my friends returning from overseas Upon catching a glimpse of me they popped out of their seats and began waving small American flags in my general direction It was very nice to see them and it was a nice patriotic sight I arrived at the airport at approximately midnight and I was hungry so we all went out to eat at an all night diner in Arlington Virginia It was about 0300 in the morning when we finished up our meal and headed back to my in laws house to sleep I caught an 1800 flight the next day which brought me to Salt Lake City at approximately 2300 that night The second leg of my flight from Phoenix Arizona was very comfortable and relaxing Wearing my DCUs one of the flight attendant s decided to move me to First Class Not only did this provide me with more comfort but it also provided me an opportunity to sit next to her husband who had joined her on the flight I had a really nice conversation with the flight attendant s husband throughout the flight Then as we landed in Salt Lake City the flight attendant announced to all of the people on the flight that I had just returned home from the war in Afghanistan Everyone began to clap and I received the honor of being the first person off of the airplane I then began my mad dash towards my family People noticed that I was in uniform holding two little bears one for each of my girls and I was practically running so everyone pretty much got out of my way Within minutes I saw Melanie holding a Welcome Home poster and my girls waving small American flags It was a very impressive and precious sight I scooped up both of my daughters in my hands and I embraced the whole family The nice thing was that Suzanna didn t cry everyone seemed to at least have some idea who I was this time In fact Annabelle wouldn t hardly let me go out of her sight for the next few days I learned several days later that Annabelle had a lot of trouble sleeping while I was gone which was attributed to me not being there and her not knowing when I would come home This latter fact is what changed my mindset from wanting to go back to

the combat zone any time soon While I was gone I made the most of my deployment and I even learned to enjoy many aspects of the adventure However when you see the effects of being gone on the homefront nothing else seems to matter but family Would I go again Absolutely But I would certainly wait for my number to come up or for someone to come asking for my assistance a little more passionately When I arrived at my actual home in the Ogden Utah area I quickly noticed several decorations on the property I hadn t expected such extravagance but I was certainly impressed by what I saw As I walked around the house and the yard in my civilians clothes the next day surrounded by my family I finally felt like I was home
