Cloud Devotion David G. Robinson, 2020-01-07. A personal invitation to walk with God through the great classics of Christian spirituality. This book of daily devotions is based upon *The Cloud of Unknowing*. In this edition, Robinson sought to remain as true as possible to the voice of this medieval classic. *Cloud Devotion* follows the original Middle English text sentence by sentence, with Robinson's own translation and paraphrase. Divided into 366 small portions, with a Scripture passage related to the theme from each daily reading, *My heart has yearned for this book*. I wanted a guide to help me savor and reflect on the spiritual classic *The Cloud of Unknowing*. David has insightfully discerned how we might do this. The partnership of this unknown ancient writer and this known living pastor is masterful. I invite you into the clouds with the slow reading of this book. Dr. MaryKate Morse, author and mentor, professor of formation and leadership.

Vintage Saints and Sinners Karen Wright Marsh, 2017-09-12. Saints were not simply superstar Christians with otherworldly piety. When we take a closer look at the lives of these spiritual heavyweights, we learn that they're not all that different from you and me. With humor and vulnerability, Karen Marsh introduces us afresh to twenty-five brothers and sisters who challenge and inspire us with their honest faith.

Be Light Samuel Rodriguez, 2016. Light has always defined God and his followers. At creation, God spoke light into existence. Jesus is the light of the world. And we are born to absorb and then reflect God's light. Rodriguez provides a blueprint for confronting darkness in every realm of our lives. He issues a clarion call for individual believers and the church to rise up and once again be a bright city on a hill, exposing the invading darkness and overcoming it with God's blazing light.

The Compassion-Based Workbook for Christian Clients Joshua J. Knabb, 2018-09-14. The Compassion-Based Workbook for Christian Clients integrates contemporary research in clinical psychology on compassion-based approaches to shame with a Christian worldview, offering a wide variety of strategies for Christians to better understand and combat shame and negative self-judgments. Chapters lay out a four-step process to help clients let go of unhelpful thinking patterns that lead to shame, experience God's compassion on a deeper level, and extend this compassion to themselves and others. Readers will find a wealth of Christian-sensitive experiential exercises, journaling assignments, biblical examples, and case examples throughout the workbook. Audio recordings for several guided meditations are also provided to help Christians practice the strategies offered in the workbook.

Questions from the Pews S. P. King, 2019-11-04. Pastors are privileged to hear questions of faith. These questions often arise from people who engage in critical thinking, value intellectual integrity, and want an authentic conversation regarding their inquiries. S. P. King skillfully

engages historical biblical and spiritual elements to squarely tackle some of the paramount issues of the Christian faith Each chapter provides the theological background necessary for a thorough response The answers are not presented in a manner to sway one's faith in a particular direction but rather serve as a framework in which beliefs can be objectively examined With each chapter capable of being a stand alone resource the book delivers in depth but concise narratives on each topic There are no efforts to indoctrinate making the book a resounding invitation to explore Christianity in an impartial environment

The Complete Cloud of Unknowing, 2014-03-01 Central to the Christian mystical tradition is the inspired work of the anonymous author of *The Cloud of Unknowing* Rich with insights and perceptions of the obscurity and unknowability of God this work reveals God as being on an entirely different plane of existence from human beings so different that time bound human language is inadequate to describe God exhaustively or accurately Intellect and emotion both fail in seeking God who can only be encountered by rejecting all common earthly means in a cloud of forgetting and the discovery of Godself in the dark cloud of unknowing that can be pierced only with a lance of longing love Now we finally have a translation that captures all of this beauty and complexity without minimizing the nuances all of which are explained with extensive introductions and accompanying notes If I could keep with me only two books and a journal this book would be one of the books As far as I'm concerned it's the most important book and among the most influential on Christian prayer in the last two millennia I'm delighted to endorse this fine new translation and commentary The Rev Dr Chris Neufeld Erdman University Presbyterian Church Fresno CA author of *Beyond Chaos Living the Christian Family in a World Like Ours* and *Returning to the Center Living Prayer in a Distracting World* *The Complete Cloud of Unknowing* includes two classics of medieval Christian contemplative spirituality essential reading for anyone seeking to deepen their relationship with God through the practice of silent prayer They are rich texts full of nuanced wisdom that often gets lost in modern translations Father John Julian has captured the beauty humor and literary elegance of the original versions but also has supplemented his translation with detailed notes that convey the subtle spiritual insight that makes these works required reading I'm excited about this book it's a title I will recommend both to beginners and to longstanding students of *The Cloud* Carl McColman author of *Answering the Contemplative Call* and *The Lion the Mouse and the Dawn Treader* **Beautiful Feet**

Jessica Leep Fick, 2015-07-28 Can women be effective witnesses for Jesus Sometimes women feel like they're not cut out for evangelism but Jessica Fick shows how women can share their faith in normal everyday ways With specific aptitudes like empathy and vulnerability God has created women with beautiful feet to bring the good news of Jesus to those around them

how to go about learning what that might be With his gentle pastoral style Steve Harper encourages you to pray and read scripture in ways that lead to knowing and doing God s will He employs the metaphor of walking in the light to frame a method of prayer and practice using scripture and tradition to inform the steps of this ongoing walk with God called discernment Questions for reflection and discussion are provided at the end of the book Church Abuse of Clergy Gene Fowler,2020-03-09 Imagine receiving a shocking email from a church member stating that you the pastor have mishandled church funds and that you should resign for the good of the congregation Soon you discover that the church member sent the email to many other church members Additional lies will follow until the fateful day comes when the members vote to fire you or the bishop dismisses you or you resign for sheer survival You are experiencing church abuse of clergy which is the topic of this book Clergy will gain an entirely new understanding of church abuse of clergy that afflicts many pastors and their loved ones by reading this book The view of church abuse of clergy being presented is a new paradigm that challenges older explanations of the church abuse This book shows that clergy must begin collaborating in order to discover effective solutions to the church abuse of clergy problem Clergy must become empowered to confront the church at all levels and support one another in the face of church abuse of clergy A very toxic ministry situation exists throughout the United States and internationally which must be challenged **Spiritual Disciplines Handbook** Adele Ahlberg Calhoun,2015-11-19
