## **Knight The Medieval Warriors Unofficial Manual:**

**Knight: The Medieval Warrior's (Unofficial) Manual** Michael Prestwich, 2010-05-01 An insider's guide how to become a knight wield a sword join a Crusade and make your fortune The knight is the supreme warrior of the Middle Ages Fully armored and mounted on a magnificent charger he seems invincible Honor and glory await him as guided by the chivalric code he fights with lance and sword This carefully researched yet entertaining book provides all the essential information you need to become a successful knight in the later Middle Ages during the period of the Hundred Years War Should you go on a Crusade Which order of chivalry might you consider joining What is required when you go through the ceremony of knighthood Here are the answers to these and many more questions plus practical advice on topics such as equipment fighting methods and the conventions of warfare But the knightly life is not all battles and sieges there are also tournaments and jousts to enjoy and the world of courtly love Based on contemporary lives and descriptions this book written by a leading medieval historian paints a vivid picture of what it was like to be a medieval knight

**Handbook of Medieval Culture. Volume 3** Albrecht Classen, 2015-08-31 A follow up publication to the Handbook of Medieval Studies this new reference work turns to a different focus medieval culture Medieval research has grown tremendously in depth and breadth over the last decades Particularly our understanding of medieval culture of the basic living conditions and the specific value system prevalent at that time has considerably expanded to a point where we are in danger of no longer seeing the proverbial forest for the trees The present innovative handbook offers compact articles on essential topics ideals specific knowledge and concepts defining the medieval world as comprehensively as possible The topics covered in this new handbook pertain to issues such as love and marriage belief in God hell and the devil education lordship and servitude Christianity versus Judaism and Islam health medicine the rural world the rise of the urban class travel roads and bridges entertainment games and sport activities numbers measuring the education system the papacy saints the senses death and money

*A Visual History of Soldiers and Armies Around the World* Alberto Moreno de la Fuente, 2016-12-15 This intriguing book brings young readers into some of the greatest battles in history They can walk alongside some of the mightiest armies ones that shaped the world they know today They will walk in the shoes of the Roman legionnaire and the Mongol rider the Christian knight and the Sioux warrior the Japanese samurai and the Navy SEAL They will learn about the origin of armies in ancient times and the army of the future Captivating illustrations bring readers further into this world and offer a unique perspective on history

**The Rise & Fall of the Mounted Knight** Clive Hart, 2023-01-05 The medieval mounted knight was a fearsome weapon of war captivating and horrifying in equal measure they are a continuing source of fascination They have been both held up as a paragon of chivalry whilst often being condemned as oppressive and violent Occupying a unique place in history knights on their warhorses are an enigma hidden behind their metal armor and seemingly unreachable on their steeds This book seeks to understand the world of the medieval knight by studying their origins their accomplishments

and their eventual decline Forged in the death throes of the Roman Empire the mounted knight found a place in a harsh and dangerous world where their skills and mentality carved them into history From the First Crusade to the fields of Scotland knights could be found and their human side is examined to see how these men came to both rule Europe and ride into enduring legend The challenges facing the mounted knight were vast and deadly from increasingly professional and competent infantry forces to gunpowder the rise of political unity and the crunch of finance The factors which forced the knight into the past help to define who and what they were as well as the legacy that they have left indelibly imprinted on the world The standout feature of this book is the focus on the equine half of the partnership from an author who practices the arts of horsemanship on a daily basis including combat with sword and lance The psychology of the horse refined by the experience of actually training warhorses has helped the author to add to the body of academic work on the subject This insight opens up the world of the mounted knight and importantly and uniquely challenges the perception of what he and his horse could really do

[The Castle in Medieval Europe](#) Danielle Watson, 2016-07-15 Castles are perhaps the greatest symbol of the Middle Ages But what was life like inside these mighty fortresses This book examines the rise of castles as the center of noble life and provides information on the men women and children who lived within the castle walls

[An Introduction to the Gawain Poet](#) John M Bowers, 2021-08-01 In An Introduction to the Gawain Poet John Bowers surveys an expanded selection of the works of Chaucer s anonymous contemporary considering Sir Gawain and the Green Knight alongside the poet s lesser known but no less brilliant works In addition to his succinct introductions and plot summaries Bowers skillfully details the cultural historical political and religious contexts for these works synthesizing them with close reading of selected passages Perhaps his most exciting contribution to the field is his choice to historicize the poet s life and works in the context of the royal culture of King Richard II boldly contending that it was highly possible the Gawain Poet was a frequent visitor to Richard s court in London The final chapter surveys the works influenced by as well as the influences reflected in the poet s work from the Bible to The Lord of the Rings The attention Bowers pays to the critical tradition that has developed around these texts over the past hundred years makes An Introduction to the Gawain Poet an ideal volume for both undergraduate students and scholars of the Gawain Poet Bowers has marshaled his formidable skills to create a book impressive in its balanced combination of breadth and depth
