But as a society we are simultaneously terrified of being alone and already desperately lonely. We move through life in packs and friendship circles and yet in the most interconnected age we are stuck in the greatest loneliness epidemic of our time. It's killing us, making us miserable and causing a public health crisis. Increasingly we don't just die alone; we die because we are alone. What if meaningful friendships are the solution? Journalist Kate Leaver believes that friendship is the essential cure for the modern malaise of solitude, ill health and anxiety and that if we only treated camaraderie as a social priority it could affect everything from our physical health and emotional well-being. Her much anticipated manifesto *The Friendship Cure* looks at what friendship means, how it can survive, why we need it and what we can do to get the most from it. Why do some friendships last a lifetime while others are only temporary? How do you break up with a toxic friend? How do you make friends as an adult? Can men and women really be platonic? What are the curative qualities of friendship and how we can deploy friendship to actually live longer, better lives. From behavioral scientists to besties, Kate draws upon the extraordinary research from academics, scientists and psychotherapists and stories from friends of friends, strangers from the Internet and her squad to get to the bottom of these and other facets of friendship. For readers of Susan Cain's *Quiet* and Elizabeth Gilbert's *Big Magic*, *The Friendship Cure* is a fascinating blend of accessible, smart thinking, investigative journalism, pop culture and memoir for anyone trying to navigate this lonely world, written with the wit, charm and bite of a fresh voice. [Dream Wedding](#) Susan Mallery, 2013-12-01 New York Times bestselling author Susan Mallery brings her trademark wit and sparkle to these two classic tales of dreams come true. *Dream Bride*: According to family legend, Chloe Wright is destined to dream of her future groom on her twenty-fifth birthday. But she's not about to fall in love, especially since Arizona never settles anywhere for long. Still, his electrifying kisses and irresistible charm have Chloe suddenly wondering if there's something to that legend after all. *Dream Groom*: Cassie Bradley Wright knows the fantasy of being swept off her feet by her boss is just that, a fantasy. After all, Ryan Lawford is way out of her league. And business and balance sheets are his whole world. But little does Cassie know that her sweet ways are changing his mind.
