Mayette, 2011-10-26 Culturally we lack the training of an early age to be free thinkers We have become instead repeaters cookie cutter persons Thinking out of the box is so needed This is what prompted me to write this book Ive been there done that so know it well Children today say they are free thinkers yet there they stand before us all wanting and dressing alike It may help the economy but it certainly is not free thinking It likely is different than what Mom and Dad ascribe but its still about others thinking How did we get to where we are We are all responsible for it So lets together not recreate the past and go forward with creativity and process out of the box ideas and thinking Develop questioning what was and liberate ourselves

2 Timothy 2:15 written in AD 60 mean to you? It does not mean the Bible. Does It Matter What You Believe? Elvin C. Myers, 2021-06-02. The road the way the belief system that leads a human soul home and into the presence of God is not crowded. There are few who find it. So it's important to ask yourself: Are you on the right road? Elvin C. Myers, a former missionary and pastor to churches in Colorado, Virginia, and Florida, wrote this book to steer people away from errors that might damn their souls. The author draws on his more than sixty years of being a pastor to explore the differences between Protestant Evangelical beliefs and those of Catholicism. In doing so, he answers questions such as: Why is it incumbent on people who know the truth of the Lord to speak up? Does living a good life ensure someone will go to heaven? What are the consequences of being disobedient to the Lord? Can someone who is deeply religious still perish in hell? It is the author's sincere hope that this book will lead you away from the judgment of hell and the lake of fire that is mentioned in Revelation 20:14-15, a place where the soul never dies.

**You Are What You Believe** Hyrum W. Smith, 2016-08-01. Change Your Beliefs, Change Your Life. We all have times in our lives when the results of our behavior don't seem to be meeting our needs. In this new book, Hyrum Smith does two things that are invaluable to people who wish to make their lives less painful. First, he reveals through a clear and simple model how we get to the point where our behaviors cause these kinds of problems. Then, with a simplicity that is impressive in itself, he describes the steps we must take to identify and rectify the beliefs leading to our painful behavior. The result is a powerful process for transforming your habits and relationships and achieving lasting personal and career success.

**Do You Really Believe What You Say You Believe?** Rodney Hobson, 2019-02-21. A Christian's growth is dependent on what they say they know regarding Christ and what they say they believe about Christ and the application of those beliefs in their circumstances. The Bible is filled with examples of men and women who believed in God and Christ yet struggled to believe what they heard, read, and said they believed. Abraham and Sarah, Zechariah, Jesus' disciples, Paul, and others had issues of believing what they heard or what was written in scripture. What does it mean when a person says, "I believe in God"? How does unbelief affect what a Christian believes? Does what a person believes limit their ability to produce the truths of Christ and its results in their lives? This book is written to explore the challenges of believing the Word of God and learning how to produce the results of those beliefs in their lives.

**Do What You Believe** Steve Deace, 2021-12-20. This time the soul of America really is at stake. Sure, for many years we've heard this language dramatically and cynically utilized during political campaigns, but this time it's actually true. American Exceptionalism faces more systemic threats and existential peril than ever before. A culture that can't agree on what a border, citizen, criminal law, constitution, life, or even the truth is probably doesn't have long to last. But as Jesus warned in Matthew 9:37, "The harvest is plenty but the workers are few. Either we will stand boldly now for what we believe, or our way of life will be lost to the ash heap of history." Pilgrims having undertaken the glory of God and Great Awakenings are what gave birth to liberty on this continent in the first place. And without a revival of those first things in our time, that liberty will be lost for good. This will be the generation

that determines the fate of the West This is a blueprint and battleplan for such a time as this **Teach What You Believe** Deacon Michael E. Why Do You Believe What You Believe About the Holy Spirit? Graham McFarlane,2009-04-01 Why do you believe what you believe about the Holy Sprit Are your beliefs based on current trends of thought in the church or the world around you or do they fit in with what the Bible and Christian tradition teaches Does it matter What are the consequences of your beliefs In this thought provoking survey Graham McFarlane draws on the insight of ancient and modern thinkers to work out the implications of the biblical witness to the Spirit for the individual believer and for the church as a reconciling community Combining clear teaching with practical applications this book encourages readers to think through their faith **You Can'T Walk in What You Believe Until You Change the Way You Think** Michael Truss,2015-09-02 Satan has placed highly trained and skilled taskmasters over you to afflict many with pain low self esteem and a poverty mentality A taskmaster is something or someone designed just for you to keep you in bondage and an impoverished state of mind The enemy wants to keep you immobile You know what you want to do and what you need to do but you cant function because the enemy has left you paralyzed Even though you want to move and even though you have the strength to move a voice inside your head keeps talking to you It keeps saying the same thing over and over again That voice is designed to keep the cycle of

bad thoughts in your head If we refuse to terminate the cycle and allow it to be passed down from generation to generation you will keep producing stagnated non prospering offspring who will never progress in their spiritual walk Thats why it is so important to renew our minds with right thinking
