Lose It The Personalized Weight Loss Revolution:

Lose It! Charles Teague, Anahad O'Connor, 2010-12-21 The revolutionary weight loss plan used by more than 5 million people from the creators of the hit iPhone app For years we've been taught that in order to lose weight we have to avoid the foods we love and exercise until we drop To get lean you have to be extreme right Wrong Dieting is a zero sum game You can lose weight fast but more than a third of people regain all of the weight they've lost within a year So why waste time following someone else's diet advice when you can drop the pounds on your own terms With Lose It by Charles Teague and Anahad O'Connor the power to lose weight is in your hands No deprivation no detox no hard and fast rules just a plan that empowers you to create your own personalized strategy tailored to your individual lifestyle schedule dietary needs and goals Despite what many experts would lead you to believe weight loss boils down to simple math calories in vs calories out To shed pounds you have to end each day with a calorie deficit It sounds easy enough but studies show that 63 percent of Americans grossly underestimate their daily calorie intake In fact the average American consumes a staggering 3 790 calories a day that's enough calories to gain more than 10 pounds every month Lose It's life changing philosophy and program have already helped more than 5 million people lose weight In this the first ever book to be developed from an iPhone app readers will learn the five pillars of the Lose It strategy 1 Embrace mindful empowerment Take control of your body and the foods you put in it 2 Track your calories There are no points or complicated algorithms to follow But every snack taste and bite counts 3 Track your habits Spot behavior patterns good and bad that you can modify to help you meet your goal 4 Track your exercise Learn how to burn more calories in less time and boost your calorie burn even when you're not at the gym 5 Benefit from peer support Your social network inspires you keeps you accountable and provides insight and advice With Lose It you can forget about following someone else's idea of what you should and shouldn't eat and simply learn to love food again The best possible weight loss plan after all is the one that you design yourself **Weight Loss**

Dr. Atkins' New Diet Revolution Robert D. C. Atkins, 2002-09-01 This is an updated version of the book I wrote ten years ago to help as many people as I could to lose weight I felt certain then and continue to do so that the widespread dissemination of misinformation about what

constitutes a healthy diet had caused that epidemic of weight gain in this country The book made a greater impact than anyone might have predicted Its sales exceeded ten million copies and it was the number oneselling diet and health book in the U S for nearly five years In fact it has been the all time top seller in its field Certainly of the millions of people who ve read it a large percentage followed its precepts lost weight kept it off and decisively improved their health What you hold in your hands is a thoroughly rewritten version of that work Having listened with care to the people who followed my weight control program I ve clarified and improved the do ability of the practical chapters of this book I ve added many new case histories and a horde of new and improved recipes Finally I ve incorporated information on the recent upsurge of scientific evidence We had it right ten years ago but now we have twice as much research to confirm the nutritional approach

Elvis After Elvis Gilbert B. Rodman, 2013-10-18 For a dead man Elvis Presley is awfully noisy His body may have failed him in 1977 but today his spirit his image and his myths do more than live on they flourish they thrive they multiply Why is Elvis Presley so ubiquitous a presence in US culture Why does he continue to enjoy a cultural prominence that would be the envy of the most heavily publicized living celebrities In Elvis after Elvis Gil Rodman traces the myriad manifestations of The King in popular and not so popular culture He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave Elvis not only refuses to go away he keeps showing up in places where he seemingly doesn't belong Rodman draws upon an extensive and eclectic body of Elvis sightings from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp and from Elvis's central role in furious debates about racism and the appropriation of African American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers Rodman shows how Elvis has become inseparable from many of the defining myths of US culture enmeshed with the American dream and the very idea of the United States caught up in debates about race gender and sexuality and in the wars over what constitutes a national culture
