Purcell, 2023-09-29 In *Lost in Transition* Removing Resettling and Renewing Appalachia Aaron D Purcell presents a thematic and chronological exploration of twentieth century removal and resettlement projects across southern Appalachia The book shares complex stories of loss and recollection that have grown and evolved over time This edited volume contains seven case studies of public land removal actions in Virginia Kentucky the Carolinas and Tennessee from the 1930s through the 1960s Some of the removals include the Tennessee Valley Authority and the Norris Basin Shenandoah National Park and the New River the Great Smoky Mountains National Park and the Keowee Toxaway Project in northwestern South Carolina Each essay asks key questions How did governmental entities throughout the twentieth century deal with land acquisition and removal of families and communities What do the oral histories of the families and communities particularly from different generations tell us about the legacies of these removals This collection reveals confrontations between past and present federal agencies and citizens and the original accounts of removal and resettlement and contemporary interpretations The result is a blending of practical historical concerns with contemporary nostalgia and romanticism which often deepen the complexity of Appalachian cultural life *Lost in Transition* provides a nuanced and insightful study of removal and resettlement projects that applies critical analysis of fact mythology and storytelling It illustrates the important role of place in southern Appalachian history This collection is a helpful resource to anthropologists folklorists and Appalachian studies scholars and a powerful volume of stories for all readers who reflect upon the importance of place and home

Lost Soul Alonzo Smith, 2013-03-12 The poems in this book were written between the ages of 14 and 22 years old This book started during my youth when I was sentenced to Juvenile Life with the Department of Juvenile Justice system Long nights bad dreams and a temper that caused bad judgment I was encouraged to write what I feel It is the poems in this book that helped me through so much and allowed me to express what I feel in an exceptional way I never knew writing my first poem would be the beginning of a book that told a different part of my life through each page

So I wrote this book for those who dont understand me for others who are misunderstood and to express what I have felt through the toughest times a teenager can imagine This book is to show lost souls can be found and those with no soul still have a chance
