Loud Larry Goes Fishing:

Destinies Terminated Orlando Fernandez, 2008-11 These short stories surfaced within my head each time I had the occasion to read published reports of a parent or parents who happened to slaughter his her or their offspring It seemed as if every time one turned on the television picked up a newspaper or magazine the one story to catch one s attention was about the death of an innocent child at the hand of a parent Each time I wondered as to who that child would have been or what he or she could have accomplished It saddened me to think that a human life had just been extinguished without having been given a chance to excel in life The more I read or heard the more I pondered the idea of giving each child his or her chance to show what he or she would have been I purposely chose to portray the positive possibilities and decided not to dwell on the things that could be construed as negative Each child s short lived beginning was already too short and too negative I hope that these short stories bring to light and instill in all who read them what a great loss a child s passing is for all of us The world may never know what each child s contribution to humanity would have been or what ailments and human ills they would have eradicated It is with hope that this book may even though fictional somehow bestow credence to their brief lives

Revenge of the Trout Zombies Bruce Cochran, 2014-07-12 All day you drift through some of the most beautiful scenery in the world yet you see it not writes Bruce Cochran The majestic bluffs the soaring bald eagle the snow capped mountains all go unnoticed because your world consists only of your strike indicator You stare at it hypnotized as it floats in the current carrying with it all your hopes your dreams and yes your humanity You have ceased to function as a living person Yes you have become a TROUT ZOMBIE In this his seventh book Cochran uses hilarious words and cartoons to expose the follies and foibles of fly fishing All elements of this hugely popular sport are lampooned including the equipment the characters the flies even the clothing Rule 1 No more pink shirts And yes they re PINK Not coral or salmon If you want to betaken seriously stop buying your clothes at Victoria s Secret

I Kissed the Fish Ruth Bradford, 2015-08-20 There are no such things as paved roads or nice clean sidewalks in rural villages in Alaska Most people who visit Alaska see Anchorage Fairbanks or maybe even isolated Juneau the capital city Those cities are neat concrete bound proper lower forty eight type cities But they arent the real Alaska The villages with mud and mosquitoes in the summer snow and ice in the winter fishing and hunting out the front door practically those villages make up the real deal the last frontier Alaska The people living in the villages resourceful Native Americans proud Eskimos Aleuts and Gussaks which is what people of the land call Anglos and all others from the lower forty eight meet the challenges of the far north That is Alaska The people work together to deal with the cold winter darkness summers long days and most importantly the intensified human emotions involving survival Larry and I lived and taught in Aniak Alaska that this story is based on We fished skied snow mobiled threw a cup of coffee in the air when it was fifty degrees below zero experienced the Kuskokwim River going through the pangs of break up and every few years a flood in which we got water in our basement Life in rural Alaska is at times challenging But the people make every moment

rewarding **Between the Eternities** Eddie Sawyer,2023-02-09 The race Between the Eternities begins before we take our first breath it matches us against a relentless and undefeatable opponent death This competitor never tires nor is distracted in its pursuit of us and the race continues until we or someone else closes our eyes for us after we draw our last breath Between the Eternities is based on facts chronicled about the journey along this racetrack by my mother The emotional roller coaster ride of our characters exposes the reader to elements of despair and hopelessness when we discover the method death chose for the demise of one of the main characters Humor is displayed when we see the heroine make her final drive into town or when we read of the small green snake that emptied the fishing boat Love is exhibited throughout our words as each character strives to lighten the heavy burden pending death has placed on the other cast Hope too is a recurring member of the troupe It appears at various times and roles only to be destroyed by death But hope not fear and sorrow in the final act overcomes death to become the savior of the ones left to carry on the business of the next race In these future races the race of all life is leveraged to last only so long before all chips must be turned in for the final accounting Since we cannot be victorious in this race with death how does one keep score On the final scorecard only how we have run the race matters at all Therefore the true measure of our life is based on the choices and decisions we make as we run the course to its inevitable conclusion *The Adventures Of Tom & Jeff, The Boy Scouts* jeffery

Clinkenbeard,2012-04-17 Also see this book in Large Print for those of us who have trouble reading small print This is the story about two Boy Scouts determination to investigate the world that was suppose to be off limits to them and everyone else for that matter These two Boy Scouts are real life boys who have been on the quest for knowledge and adventure since early childhood They are forced to deal and understand the delineation between good and evil in ever evolving situations This book will appeal to all who have an adventurous spirit and enjoy fast moving real life action Ample doses of rib tickling humor jarring excitement personal courage unbelievable experiences and emotional drama are skillfully incorporated and often serve as pivot points along the way **The Lovely Knowing** Mishi McCoy,2011-04-28 What we experience in our life s

journeys does not define us Who we are is magnificently more than our life experiences Who we are is who we choose to be in spite of those experiences There is an inner gift that each of us possesses as deep insightful knowing and is available as peace regardless of our circumstances It isn t as difficult to access this gift as some would make it out to be It is quiet simple We can always choose the way of Love the knowing and in so doing we live the life that is our divine right and legacy a life worth living **The Lorelei** Ronald Schmidt,2007-02 Arranged By Kinross J *Caught Dead* Andrew Lanh,2014-11-04 One
