Love Let Die Masters Mercenaries:

Close Cover: A Masters and Mercenaries Novel Lexi Blake, 2018-04-10 Remy Guidry doesn't do relationships. He tried the marriage thing once back in Louisiana and learned the hard way that all he really needs in life is a cold beer, some good friends, and the occasional hookup. His job as a bodyguard with McKay Taggart gives him purpose and lovely perks like access to Sanctum. The last thing he needs in his life is a woman with stars in her eyes and babies in her future. Lisa Daley's life is going in the right direction. She has graduated from college after years of putting herself through school. She's got a new job at an accounting firm and she's finished her Sanctum training. Finally on her own and having fun, her life seems pretty perfect. Except she's lonely, and the one man she wants won't give her a second look. There is one other little glitch. Apparently her new firm is really a front for the mob, and now they want her dead. Assassins can really ruin a fun girls' night out. Suddenly strapped to the very same six-foot-five-inch hunk of a bodyguard who makes her heart pound, Lisa can't decide if this situation is a blessing or a curse. As the mob closes in, Remy takes his tempting new charge back to the safest place he knows: his home in the bayou. Surrounded by his past, he can't help wondering if Lisa is his future. To answer that question, he just has to keep her alive.
