Sockwell,2002      **A Missionary Looks at the Love Letter** Richard Lehman,2024-02-19 Jesus gave Revelation as a love letter for his servants to share with the church It is addressed to us from him that loved us and washed us from our sins in his own blood Revelation 1 5 He reminds us that he personally suffered and gave his very best for his bride the church But then with a broken heart in his first letter to the church he says you have left your first love Revelation 2 4 This book interprets Revelation by following the instructions given to us in the first chapter We are told to compare Revelation to the Word of God and the testimony of Jesus Christ Revelation 1 2 Revelation is a heart heavy message very carefully and personally delivered by Jesus Christ himself He doesn't take it lightly when people write up their own interpretations and imaginations about what it means That is why this particular book carefully considers the spiritual heart message that is being delivered to the ministry and we will address each scripture within Revelation in the same order as it was originally given Almost every scripture within Revelation hundreds of them are derived from other scriptures within the rest of the Bible There is no way to interpret Revelation without carefully considering what those scriptures spiritually teach us and then what Jesus is telling us with them through his Revelation This is exactly the way that the apostle Paul taught us to understand scripture Which things also we speak not in the words which man's wisdom teaches but which the Holy Ghost teaches comparing spiritual things with spiritual 1 Corinthians 2 13 Revelation is also a book of many sevens Addressing things seven times is God's way within scripture of completing his purpose and his work There are four different patterns of seven that are explicitly identified within Revelation 7 churches 7 seals 7 trumpets and 7 vials of the wrath of God poured out This pattern of four sevens matches how God said he would correct his people back in Leviticus chapter 26 He said four different times that if his people stray away from him he will correct them seven times and in the last seven he will correct them in his fury Accordingly the last pattern of seven within Revelation is done in God's wrath and fury Revelation finalizes the corrections for all the problems in the church A Missionary Looks at the Love Letter has been written so that you can respond from your heart to the love letter Jesus wrote to you Christ died so that we can have a personal heart to heart relationship with him and his heavenly Father through the Holy Spirit That is how he first established the Kingdom of Heaven on Earth Consequently the purpose of Revelation is to fill us in a greater way with his sacrificial love Intellectual understanding into the different symbols types and patterns of Revelation are a byproduct of that heart transformation Consequently this book will also explain all of these symbols types and patterns in complete detail directly from the scriptures The book is titled A Missionary Looks at the Love Letter because as a missionary the author has taught this Revelation message to over a thousand ministers already The purpose of Revelation is first to shake and awaken the ministry to their responsibility to respond directly to the heart of God For those ministers where that spiritual heart change takes place a revival breaks forth in their life and spreads to others That Christ may dwell in your hearts by faith that you being rooted and grounded in love May be able to comprehend with all saints what is the breadth and length and depth and height And to know the love of Christ which passes

knowledge that you might be filled with all the fullness of God Ephesians 3 17 19      **The Sins that Almost Killed Me and May be Killing You** Opal Watkins, 2007 A testimonial to God's goodness illustrating that the Lord restored one woman to wholeness allowing her to gain freedom from her sins through Jesus Christ      **Sins for Father Knox** Josef Škvorecký, 1991 A clergyman named Ronald A Knox once set forth a set of rules for writing detective fiction In ten new stories two featuring Lieutenant Boruvka a crime occurs that violates one of Father Knox's rules thus serving up a double challenge Who dunnit and Which rule was broken      *The Priestly Sins* Andrew M. Greeley, 2024-06-04 A searing and topical bestseller about the state of the Catholic Church from a fascinating novelist with a rare possibly unmatched point of view Los Angeles Times A gifted and innocent young man from the distant prairies of the Great Plains Father Herman Hoffman witnesses child abuse in the rectory during his first parish appointment He tells the pastor the father of the victim and the local police but is rebuffed by the archbishop Soon he is vilified for denouncing a priest who has been cleared by the police and learns the harsh fate of the whistle blower in the contemporary Catholic church He is locked up in a mental health center and then sent into exile to do graduate study In Chicago to study immigrant history Hoffman encounters the local Vicar for Extern Priests the legendary Monsignor Blackie Ryan who helps him regain his confidence Hoffman returns home to demand a parish of his own from the archbishop Reluctantly the church hierarchy assigns him to a dying parish but by his zeal and charm Hoffman revives the local church His brief idyll is shattered by a subpoena to testify in a court hearing If he speaks he will have to take on the downtown establishment that is determined to destroy him and many of his fellow priests who want to be rid of this painful reminder of a sinful past Hoffman faces exile not only from his parish but from the priesthood itself Writing from the author's fifty years of experience as a priest *The Priestly Sins* will be criticized by some but embraced by most as an all too candid story of all too human priests
