Heart of the Gladiator Lydia Pax,2015-10-06 His love is rough but it cannot be tamed or denied Aeliana hates gladiators They're crude violent arrogant and will toss the skirts up of any available woman after a fight It may be her job to treat their injuries but she has no interest in being just another conquest So when the former gladiator champion Caius arrives in her life she is stricken by how immediately she falls for him He's a merciless killer in the arena not at all her type But he's also damnably handsome built like a god and turns Aeliana on like nothing she's felt before Being with a gladiator is always a bad idea Even if they're known the Empire over for the intensity of their bedchamber passions they have a lifespan about as long as a sword Aeliana's convinced that there's no way that someone who could have any woman in Rome would want to stay with her for long But his affection while rough seems completely genuine Caius's return to the arena is shrouded in mystery but the more Aeliana discovers the more she falls in love When his lifetime of violence catches up with them both Aeliana must decide whether she can afford to bare her heart to a man so effortlessly dangerous As it becomes obvious that their love shouldn't be Caius and Aeliana fight the odds like warriors in the arena Aeliana's strength will be tested again and again along with their love But it is her strength that will win the heart of a gladiator
