Reflections of the Christ Mind Paul Ferrini, 2000-07-25 For Paul Ferrini there was a time when the very thought of Jesus left him cold Instead of embodying the truth of Jesus teaching Christianity seemed to harbor the fearful thoughts and actions of people who were more committed to self interest than to unconditional love So when Ferrini felt Jesus voice inside him saying I want you to acknowledge me he resisted In time however he came to realize that it was not Jesus he was rejecting but the untruths that had become attached to Christian teaching Responding to the inner voice did not mean merely acknowledging Jesus as some great teacher who lived in the past but also meant that he was opening himself up to a living presence within his own awareness Once Ferrini reached this reconciliation powerful words of spiritual truth began to flow through him Reflections of the Christ Mind presents the most important teachings the author has received through his spiritual awakening Here at last is a gospel devoted solely to Jesus teachings of love healing and forgiveness The teacher readers meet in these pages is both compassionate and open minded he is the Jesus Christians know in their hearts Repudiating religious hypocrisy intolerance and spiritual pride Ferrini rejects the dogmatic position of the Church offering instead words of hope and healing that form the new gospel for today **Taking Back Our Schools** Paul Ferrini, 1999 This book is written for parents who are concerned about the education of their children It presents a simple idea that could transform the school system in this country and around the world *The Wisdom of the Self* Paul Ferrini, 1992 Explores our authentic experience and our journey to wholeness **Own Your Power** Alice Jones, 2018-05-18 By changing our thoughts we can change our lives By changing our lives we can change the world The power to accomplish these things is within us it is love Love is what created us and what we return to Love is the real power of the universe Own Your Power Day by Day is a guidebook to spiritual transformation It teaches valuable spiritual truths and skills learning to listen to our higher selves rather than our ego selves accessing the part of us that is connected to unconditional love rather than fear accepting the importance of forgiveness and understanding the importance of the invisible energy field that surrounds us There is an energy in words that can either crush us or heal and elevate us particularly those words that appear in our own thoughts Everything we need to succeed and become what we yearn to be is inside of us Discover a way to access the part of yourself

like the phoenix beyond adversity of any kind Love is not a fragile shiny thing kept separate from the pain and misery of life It is born of our willingness to learn from our mistakes and encounter the depth of our pain as well as our partner's pain That is the way it is In time we learn that all pain is the same pain And we have compassion for the other people who inadvertently step on our toes as they learn to find the inner rhythms of the dance Like us they will stumble and fall hundreds of times until that moment of profound acceptance when grace comes and the beloved takes their hand in the circle

Forbidden Fruit Paul Ferrini, 2002 Adam and Eve were not just naughty disobedient children They were created in God's image They had God's desire for creative expression and awareness As long as they remained in the Garden they could not take the next step in their evolution How do you convince a dependent obedient child to leave home especially if there is a comfortable bed and three gourmet meals served every day Adam and Eve weren't going to make a conscious choice to leave the comforts of the Garden The choice had to be made at an unconscious level They were driven by a desire they did not yet understand And so these two archetypal beings began a spiritual journey that would take them from sin to atonement from ignorance to knowledge from denial to responsibility They would have to explore their darkness to find the light They would have to become sinners to discover the blueprint for their redemption They would have to experience the limits of their bodies their minds and the three dimensional world to know that their true nature transcended all this To become God they had to first become human Book jacket
