**Soul Retrieval** Joanna Neff,2006-07-26 With clients in 25 States and in Australia Canada British Columbia Ontario and  
Vancouver El Salvador England Germany India Ireland Singapore Trinidad Tobago West Indies author Joanna Neff does  
higher dimensional soul retrieval and soul clearance sessions from her home in Boulder Colorado USA Soul Retrieval Return  
to Wholeness provides the context gathered from a decade of channeled sessions for why and how this energetic approach to  
soul retrieval works The book also offers a glimpse of the author s own soul retrieval process including past life merging  
excerpts from private and public sessions and actual exercises from soul retrieval workshops Why Must Soul Retrieval Be  
Done During profound stress pain or other trauma human beings often experience what is called soul loss meaning the loss of  
aspects of one s soul Such events as loss of a loved one automobile accident surgery addiction combat trauma abortion or  
miscarriage and physical abuse are the prime causes When a soul is fragmented one may no longer remember the details of  
the traumatic incidents that caused the fragmentation The lost soul aspect has taken those memories with it When a soul part  
leaves it may also take with it a measure of one s vitality The more severe the trauma the more life force is depleted People  
who have lost soul aspects may suffer chronic illnesses in childhood as a result of this reduced life force One example of soul  
fragmenting occurs because of childhood sexual abuse Here parts of the soul literally leave because the event is too painful If  
the soul fragmentation is severe enough such illnesses as schizophrenia may occur Because the integrity of the parts to the  
whole is broken down recovery is seen as an impossibility Further the will may become vulnerable to negative entity  
attachment Having fragments remain unincorporated between lifetimes affects karma because issues encapsulated in the  
consciousness of those fragments remain unresolved In addition if we remain unconscious of our other multi incarnational  
lives we bring them with us to our next incarnation hopefully to awaken us to the reality that they re out there Shamanic Soul  
Retrieval Soul fragments rarely can return without assistance Virtually without exception however when one does an internet  
search on soul retrieval page after page comes up listing shamanic soul retrieval as the available option A time honored and  
proven method shamanic soul retrieval has benefited many and is still appropriate for certain people However many have  
experienced that the shamanic method is much slower and can be quite uncomfortable With this method you undergo a  
linear process a shamanic journey and then over time the psychological and emotional integration of the parts Once the soul  
retrieval is done however the client may be left to go through the rigors of soul integration alone The reason is that with  
shamanic soul retrieval the work is primarily physical and psychological Therefore the restructuring is really going on in your  
psychological consciousness that is personality consciousness not at the Soul level This is a primary reason why clients come  
to the author for higher dimensional soul retrieval after they have received shamanic soul retrieval Book Testimonials I have

read your website and concur with much of what you write there I took soul retrieval training through the Foundation for Shamanic Studies As the result of my own soul retrieval work personally as well as with clients I have found out the same things as you that the shamanic way can be slow and painful Often past life work beliefs work or other extra healing work need to be done Maryphyllis Horn Shamanic Practitioner MEd CMHt CTFTRev Reconnection Practitioner Pittsboro NC author of Soul Integration A Shamanic Path To Freedom And Wholeness I am becoming a hypnotherapist and after working with you and Melora a couple months ago I thought I would write say that I feel the two sessions I ve had with you over three years have been the most significant single point of healing I ve ever experienced I d also like to thank you for helping me intellectually realize that time does not exist by bringing a future self to heal me in my current consciousness Lyn Johnson Denver CO
