Untiedt, 2017-12-15 There is sometimes a fine line between history and folklore This Publication of the Texas Folklore Society features articles that tell stories about real life characters from the historical past of Texas as well as offer personal reflections about life from diverse perspectives throughout the last century These contributors go beyond merely stating facts about dates or locations or

names of the events and people that can be found in court documents or genealogical records several of these authors provide a very intimate connection to the tales they share These articles are not just about people that we read about as school children and they do not merely describe how our culture used to be or how vastly it has changed rather they emphasize the ways we keep our culture alive through the retelling of the events and customs and major figures that are important enough to pass on from one generation to the next The first section covers legendary characters like Davy Crockett Mody Boatright Sam Houston and Cynthia Ann Parker from our state's past as well as people who were bigger or bolder than others yet seem to have been forgotten Some of those characters came from different countries while others are connected directly to our Texas Folklore Society family tree The second section includes works that examine songs of our youth as well as the customs and social constructs associated with music whether it s on a football field or in a prison yard The works in the final section recall memories of a simpler time when cars and home appliances lacked modern conveniences we now take for granted before Facebook and YouTube allowed us to become Internet movie stars and when it was a treat just to go and visit with family and friends Texas Parks & Wildlife ,2013-07 Kissed by a Cowboy Debra Clopton, 2016-02-09 Cassidy was looking for a home and a place to belong not for a cowboy to steal her heart Having lived through her parents endless string of matrimonial bliss gone wrong Cassidy Starr knows when the odds are not in her favor Divorced and humiliated her faith on rocky ground Cassidy is through with love She s been bucked o that horse far too many times Instead she returns to Wishing Springs Texas and the rundown farm she s inherited from her great aunt Roxie She ll reopen the strawberry farm and a bed breakfast and follow in her aunt's footsteps remaining forever independent happy and single Rancher Jarrod Monahan's hands are full running the ranch looking after his ailing grandfather and chasing down a group of rustlers on the loose He s pushed his longing for a family to the bottom of his list of priorities Besides he was in love once but ran scared and lost his shot at happiness But suddenly the biggest regret of his life has moved in next door with a wounded heart determined to become a spinster and that s a challenge that Jarrod can t pass up Jarrod sets his mind to breaking down the walls around Cassidy's stubborn heart How can he show her that a cowboy's kiss lasts forever For the good folks of Wishing Springs falling in love has never been so much fun to witness The Medical World .1898 Scooter Bingham and the Little Duckling Alexander M McRae "Rooster" Beebe, 2017-11-16 Scooter Bingham is a cowboy who works the Branded B He started at the age of eighteen and now is twenty three He s not your average cowboy that works the Branded B but Scooter Bingham loves his life and that is plain to see Scooter Bingham and his trusty horse Applejack comfort a little duckling named Rascal who is separated from his family and very scared The three of them set off to find Rascal s home and family Little do they know their day will turn into a great adventure Scooter and Applejack would love if you share in this and many other great adventures to come True Women and Westward Expansion Adrienne Caughfield, 2005-03-29 Expansion was the fever of the early nineteenth century and women burned with it as surely as men although in a different way

Subscribing to the cult of true womanhood which valued domesticity piety and similar feminine virtues women championed expansion for the cause of civilization even while largely avoiding the masculine world of politics Adrienne Caughfield mines the diaries and letters of some ninety Texas women to uncover the ideas and enthusiasms they brought to the Western frontier Although there were a few notable exceptions most of them drew on their domestic skills and values to establish not only civilization but their own security Caughfield sheds light on women s activism the flip side of domesticity attitudes toward race and civilization the tie between a vision of a unified continent and a cultivated wilderness and republican values She offers a new understanding of not only gender roles in the West but also the impulse for expansionism itself In Texas Caughfield demonstrates women never stopped arriving with more fuel for the flames of expansionism as their families tried to find a place to settle down some place with a little more room where national destiny and personal dreams merged into a glorious whole In doing so Texas women expanded not only American borders but their own as well Random Acts of Parenting CJ Coppedge, 2015-12-23 Memories are what we have Memories are what we make We all have memories of our childhood and adulthood Memories are what we make each and every day And oh what memories our children will have of us our parenting and the time we spend together This is the first book in a series of Education for Families A book intended to provide information and skills to help improve communication and FUN within families To assist families with research based skills and knowledge for better communication and understanding Random Acts of Parenting is designed to bring quick simple techniques to refer back to time and time again CJ Coppedge and Partners In Time Education strive to empower creativity within families with the goal of deeper relationships and fond memories To bring about partnerships based on Respect and Responsibility Time and Love Season of Guilt Browning Douglas Browning, Douglas Browning, 2010-08 Season of Guilt is a story about hot days and no rain an increasingly frustrating case of murder and the transformation of a woman with a fresh sense of herself and her possibilities into a woman who dares to realize those possibilities Drought a case of murder and the yearnings of the flesh those three interweaving And in the end the concluding of each in the satisfaction of a shared denouement It should be noted that this book follows Design of Darkness and Crystal Palace in a sequence that features many of the same characters in particular private investigators Merrill Hock Hocken and Deirdre Cash Killed in Action Michael Sloan, 2018-01-30 An ex CIA agent travels to Syria in search of a missing US Army captain in this thriller by the co creator of the classic TV show The Equalizer Michael Sloan the co creator of The Equalizer the classic TV show now reimagined in a series starring Queen Latifah presents an original story of the mysterious ex intelligence operative using his skills to help people in desperate and dangerous situations Got a problem Odds against you Call the Equalizer Robert McCall also known as The Equalizer is living a dual life pushing himself beyond his limits to save lives Just as McCall tests the bounds of his resilience an intriguing proposition comes from a United Nations diplomat Her son a dedicated American Army Captain has disappeared in the perilous backdrop of the Syrian war With no confirmation of his death she seeks McCall s
