Love is Not a Safe Country Paige Mitchell,1967 *Love is Not a Safe Country* Paige Mitchell,1969 **Lives of Mississippi Authors, 1817-1967** James B. Lloyd,1981 **Do Not Fall in Love with a General** Angerona,2013-01-10 The decision to publish this book was dictated the authors heavy experience with Internet fraudsters When she finally realized that she was deceived she found over the Internet a lot of similar victims She familiarized herself with their different distress so she could attempt to combat against Internet impostors and raise awareness in others so they wouldnt fall for scams Also she wishes to offer some entertainment for readers The book contains the online diary that reveals a great love between the author and a general in the US Army in Iraq and her selfless assistance in resolving different complications of his shipment The diary also reveals conditions of her life in the former communist country where as a widow she struggled for survival and in raising two children She unveils her experience of severe loss at the death of her son and when she was still struggling with the loss she encountered with general who helped her to overcome mental crisis and restore her Christian faith which was cultivated in her by her grandparents but abandoned by parents because of the situation in the communist regime She lost all property and much more to rescue a consignment accompanied by a diplomatic courier of the United Nations Time events the year of 2011 **Of Love and Faith** Han Birondo,2024-04-29 I m Zaki Strange but his voice echoed inside me in a similar fashion when one struck the bell in the church the sound of it travelled through the walls of my ears and cascaded to my throat then hit my rib cages and caused an unexpected jolt in my heart If love s a destination then the heart would know when one had finally arrived In his arms I found home But it s hard to understand the ways of fate In the fantasy world of Disney love is enough In the real world of men and women and at the time when people differ from each other not just by races but also by beliefs there are age old traditions that cannot be bypassed by means of love There are no fairy tales there are few love stories and this one far from ordinary At the core of this story are two hearts with differing faiths The divide is as old as time and the differences as complex as history itself *Sacred Speech* Donna Schaper,2004-09 Sacred Speech is brimming with encouragement inspiring readers to value the power that their speech has in creating a better world Drawing support and wisdom from a wealth of literary and spiritual sources Schaper offers compelling advice empowering readers to Acknowledge the Divine in the words they use Use speech to maximize the possibility of love and care Use speech to minimize fear Link connect and contact with others through words Ideal for clergy and other spiritual leaders professionals in multi faith settings the politically correct and the not so politically correct and anyone who wants to do more than simply watch what they say **To Know You Is to Love You** Morsheda Amin,2023-04-10 Ronita recently moved to the United States from a South Asian country Her dream is to be an architectural engineer and live a wonderful life in the States Soon enough the dream hits reality She learned from her bad experiences A boy from her college came into the mixture of her life She fell in love with him But the angels that roam in life have different plans They make Ronita choose Ratul who is an edgy

radical human being Right there and then in the company of Ratul Ronita is growing spiritually faster than ever They decided to get married Relatives begin to come from different parts of the country even from outside of the country Ronita met Ratul s dad Here Ronita s life story gets twisted For the first time two people acknowledged the Presence of Ronita s heart They are Ratul s dad and Ronita herself

The Consequences of Love Sulaiman S.M.Y. Addonia,2009-08-11 A Romeo and Juliet story set against the strict Muslim laws of Saudi Arabia Sulaiman Addonia s astonishing debut novel is a sensuous and intensely wrought story of a young immigrant and a girl behind a veil who defy law and risk their lives to be together Under a relentless summer sun women dressed like long dark shadows and men decked out in light cotton robes roam the streets of Jeddah While most of Naser s friends have left town to escape the heat he must stay behind to work An African immigrant and outsider Naser spends his spare time frequenting a friend s caf writing letters to his mother in Eritrea and daydreaming about the glamorous girlfriend he hopes to one day have Naser and his younger brother were sent to Saudi Arabia to avoid the war back home but though they live with their conservative Muslim uncle they remain under the watchful wrathful eyes of the religious police who monitor the community s every action govern the near indestructible boundaries between men and women walls in mosques panels on buses separate visiting quarters in houses and of course the black veil or abaya that adorns the women and punish any disobedience by public beating or death But a splash of color arrives in Naser s world when unexpectedly a small piece of paper is dropped at his feet It is a love note from a girl whose face he has never seen and whose voice he has never heard To identify her among

the sea of veiled women she instructs him to look for a pair of pink shoes peeking out from under her draped abaya Intrigued and encouraged Naser rebels against Wahhabist Islamic convention and begins a clandestine correspondence with the girl Yet even as the barriers that divide them begin to crumble under the weight of their passionate prose and devotion the lovers illicit affair will face the ultimate and most heartrending test **Be careful What you Wish For** SuZanne Ahlin,2023-10-14
