**Unfriended** Joe Battaglia, 2018-10-02 We live in a hyperconnected world and yet we're more disconnected than ever. We spend more time scrolling through Instagram than we do talking with our families. We've never had more friends, but we have no one to meet for coffee. Joe Battaglia understands that we are wired to have community and that smartphones cannot meet our needs for love, acceptance, touch, and connection. In *Unfriended*, Battaglia uses research, personal insight, and biblical truths to help you leave behind the anonymity of the Internet and get face-to-face with people. Go beyond the like button and establish meaningful relationships. Get out from behind your screen and enjoy God's creation. Avoid toxic social media debates and become a vehicle of change. *Unfriended* will help you shake off your digital fatigue and get back to real life, real world relationships with real people. Additional guest chapters by Iris C. O'Brien, Michael Guillen, Donna Rice Hughes, and Delilah.

**Searching for Madre Matiana** Edward Wright-Rios, 2014-12-01 In the mid-nineteenth century, prophetic visions attributed to a woman named Madre Matiana roiled Mexican society. Pamphlets of the time proclaimed that decades earlier a humble laywoman foresaw the nation's calamitous destiny: foreign invasion, widespread misery, and chronic civil strife. The revelations, however, pinpointed the cause of Mexico's struggles: God was punishing the nation for embracing blasphemous secularism. Responses ranged from pious alarm to incredulous scorn. Although most likely a fiction cooked up amid the era's culture wars, Madre Matiana's persona nevertheless endured. In fact, her predictions remained influential well into the twentieth century as society debated the nature of popular culture, the crux of modern nationhood, and the role of women, especially religious women. Here Edward Wright-Rios examines this much maligned and sometimes celebrated character and her position in the development of a nation.
