The Upside Down Way Matthew Ingalls, 2017-02-14 Jesus' life should turn our world upside down His first observers according to Luke were routinely seized with amazement both at the bending of physics making the blind see and lame walk and at the ridiculous things he did and taught A careful look at the Jesus of the Gospels sketches a man completely out of touch with conventional thinking a man radically devoted to living a shocking life for the sake of the broken and forgotten In popular depictions of Jesus today he seems to be more concerned with upholding a conventional way of life than with overturning our understanding of ourselves Jesus' life story should lead more to humble servanthood than to syncopated light shows in church or the triumph of a political candidate or a well ordered and respectable lifestyle The Upside Down Way is a series of devotionals drawn from the text of Luke Each devotional is an invitation to a fresh look at the outrageous words and actions of Jesus Author and pastor Matthew Ingalls combines rigorous historical study with a voice that is unflinchingly bold reflective honest and challenging in order to elevate Luke's ridiculous Jesus to his rightful position as the fountain of Christian faith

Childs, A realistic vision of peace and peacemaking A social ethical exploration of the roots of violence and peace Combines moral wisdom and prophetic realism Finding the Way to 'Long Day's Journey Into Night' William Davies King, 2024-09-03 Eugene O'Neill wrote his most enduring and important plays after he won international acclaim as the first and only American playwright to receive the Nobel Prize in Literature in 1936 In the midst of the Great Depression with his health

failing and spirits sunk he and his third wife former actress Carlotta Monterey moved to California to escape the materialism and commercialism of a declining West and they built a new home called Tao House A reasonably good translation of tao is the way and in this house which was largely the creation of Carlotta he found the way to his most famous play Long Day s Journey Into Night As an unusually explicit autobiographical drama this play returns to 1912 the outset of O Neill s writing career when he confronted tragedy in his family story and found a way to dramatize his mother father brother and himself in a way that has resonated with audiences since its publication and production in 1956 But this book argues that the play originates as much in the moment of its creation 1939 1941 in the family relationships the historical circumstances and the fact that this work would represent a moment of closure of his great career Key to this heroic story of creation is the intervention of his wife Carlotta whose diaries enable a day to day observation of how the play was written She was the driving force behind the design of Tao House and she managed the rhythms and patterns of life within its architecture It was her masterpiece just as Long Day s Journey was his This book develops a close reading of their house and marriage and also uses many of O Neill s previous plays to illuminate the breakthrough of Long Day s Journey This book is the most granular and at the same time the most far reaching inquiry into how this quintessential play was written and almost not written and how it came into the world *The Way* E. Stanley Jones,2015-03-03 If we are to get a sparkle a buoyancy back into life we can get it only as we are sure we are on the Way says E Stanley Jones The Way God s Way is revealed in the life and teachings of Jesus Christ as well as in the structure of reality This practical volume leads step by step through the implications of the Way in every aspect of life It progresses through 52 topics with daily readings Scripture references and prayer A sequel to Victorious Living and Abundant Living The Way offers a positive solution for mental and spiritual confusion and guidance for a life filled with meaning **Love is the Key to Open all Doors** Deborah Millender,2023-03-16 This book is about how our governor Mike DeWine put us all through life when we all needed the process of being together through crisis that we are in and we need the love to go through our everyday lives and jobs to get through to be able to live by That is why I call love is the key to open all doors
