Loved By Choice True Stories That Celebrate Adoption:

Loved By Choice Susan Horner, Kelly Fordyce Martindale, 2002-03-01 *Loved by Choice* offers a clear and uplifting look at adoption from virtually every perspective. It is comprised of true stories that reflect the joys and the difficulties of those touched by adoption. Families working out an overseas adoption, those creating interracial families, grandparents, birth mothers, and even birth fathers are among the many who tell their stories. Two appendices define adoption terms and outline resources that will be helpful to those exploring adoption. The emphasis of *Loved by Choice* though is to demonstrate how adoption can complete a family. It is a poignant celebration of adoption led by those who understand it best. This book's pro-life positive and upbeat message will be a welcomed source for women facing pregnancy choices, anyone working with unwed mothers, adoptees, adoption advocates, pro-life advocates, couples considering adoption, and anyone else interested in stories that celebrate adoption. It is an ideal book for bookstores and libraries to display in November, which is Adoption Awareness Month. *Loved by Choice* will also be popular at the many adoption-related conferences, book readings, and fairs that take place around the world.

20 Life-Transforming Choices Adoptees Need to Make, Second Edition Sherrie Eldridge, 2015-03-21 Adoption authority Sherrie Eldridge offers personal life-affirming advice to adoptees who have mixed emotions about adoption.

What is the Doctrine of Adoption? Michael A. Milton, 2024-10-18

Journey to the Fatherless Lawrence E. Bergeron, 2012-02 The *Journey* will challenge you to find the kind of life you have always wanted to discover. Tom Davis, President of Children's Hope Chest and author of *Fields of the Fatherless*, *Scared*, and *Priceless*. The global orphan crisis is too serious to ignore. The biblical call is to plain to miss. I'm thrilled to see *Journey to the Fatherless*. Tony Merida, author of *Orphanology* and Lead Pastor, Imago Dei Church and Associate Professor of Preaching, Southeastern Baptist Theological Seminary. The *Journey* will move a church from thinking to action in responding to the needs of fatherless children. Jayne Schooler, author of *Wounded Hearts*, *Healing Homes*, and *The Whole Life Adoption Book*. The *Journey to the Fatherless* is life-changing. Paparao Yeluchuri, President, Missions to the Nations, India. DOES THE CHURCH CARE FOR THE WORLD'S CHILDREN? The evidence on display tells a troubling story with an ever-increasing number of orphans in the world: kids aging out of foster care, AIDS babies in Africa, and toddlers in Haiti whose hair has turned orange from severe protein deficiencies. What makes this situation especially tragic is that given our wealth, talent, and resources, the Church can be a powerful agent of change, and we have the biblical mandate to do so. Do Christians have a responsibility to intercede for and sacrifice their resources for vulnerable children? What happens to the Church when we do? And when we don't? How do we begin? The *Journey to the Fatherless* is written by a former agnostic corporate executive and inventor who was chased down by the Hound of Heaven. God then took him to the fields of the fatherless so he could experience what breaks the heart of God. What he discovered in serving the least of these has been captured for the Church to use to prepare others for their journey. The *Journey* takes the reader beyond *Fields of the Fatherless* and *The Hole in Our Gospel* into a deeper understanding of the
