remarkable candor these stories offer more insight than any single story or academic analysis Behind the Wall provides a shared voice for millions of people who advocate for a child or loved one who lives with mental illness fosters a better understanding for society at large and delivers a compelling and ultimately hopeful read for anyone fascinated by the human condition According to the National Institute of Mental Health nearly twenty million Americans ages eighteen and older suffer from a serious mental illness Sixty million about one in four adults suffer from a diagnosable mental disorder in a given year Factor in the family members profoundly affected by a loved one's disorder and mental illness touches virtually all of us Yet it remains a subject that is often misunderstood rarely talked about and frequently stigmatizing When mental illness enters the national discussion it typically comes in the wake of a violent tragedy attracting temporary attention and further misunderstanding Behind the Wall posits that while mental health professionals and policy makers provide invaluable perspectives the true story of mental illness can be told most accurately by the people in the trenches the parents who watched it all unfold with their child in harrowing and heartfelt detail Book jacket *Summary of Julie A. Fast & John D. Preston's Loving Someone With Bipolar Disorder* Everest Media, 2022-03-09T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The partners of people with bipolar disorder are very similar You are the one who stays in the relationship instead of walking away You are the main caretaker When your partner is ill you take care of the house the finances and the children while having to hold your fear inside 2 The goal of this book is to help you find the right balance between understanding and helping your partner so that you are still able to pursue your own goals and dreams You will learn how to change what isn't working into something that does 3 holistic treatment for bipolar disorder focuses on medications but it is also known that many people with bipolar disorder can achieve stability once they have a treatment plan that helps them prevent the symptoms that characterize the disorder 4 Loving someone with bipolar disorder is not a diagnosis but it is important to understand that your partner has a mental illness that requires treatment It is important that your partner is evaluated by a mental health professional who specializes in treating severe mental illnesses
