Land Law and Urban Policy in Context Thanos Zartaloudis, 2016-10-14 This book is a collection of essays honouring and engaging with the work of the late Professor Patrick McAuslan It is a collection that narrates analyses and critiques McAuslan s contributions as well as offering substantive perspectives on how his work has impacted the legal fields in which he was involved including those of land law urban planning law and policy land use and participation in developing countries democratic constitutionalism and legal education The essays present McAuslan s contributions in the contexts in which they emerged and according to both the circumstances and motivations that shaped them as well as the challenges they encountered It thus provides an ideal point of engagement for scholars students and policy makers that have already interacted with McAuslan s ideas and work or who have yet to do so

Memories of German Colonialism in Tanzania Reginald Elias Kirey, 2023-08-21 German colonial history in today Tanzania Mainland is extensively documented but it has not been studied from its memory perspective despite it being widely remembered among the Tanzanians This book documents German colonial memories as shared cultural legacy that exists in forms of monuments archives and historical sites It also presents them as trans generational memory narratives that live in people s memories that are also commemorated in different ways like erection of war monuments The book analyzes memories of colonialism from the historical perspective showing how the collective memories like monuments and commemorations have undergone structural and institutional changes over time The study uses Michael Rothberg s multi directional theory together with other theoretical approaches to analyze various forms of German colonial memories in Tanzanian context The findings which are analyzed historically indicate that the collective memories of the Germans are cultural communicative commemorative functional and topographical They are also traumatic as well as nostalgic

The Small-Scale Fisheries Guidelines Svein Jentoft, Ratana Chuenpagdee, María José Barragán-Paladines, Nicole Franz, 2017-06-10 In June 2014 FAO member states endorsed the Voluntary Guidelines for Securing Sustainable Small Scale Fisheries SSF Guidelines These Guidelines are one of the most significant landmarks for small scale fisheries around the world They are comprehensive in terms of topics covered and progressive with their foundations based on human rights and other key principles It can be anticipated that implementing the SSF Guidelines whether at local national or regional levels will be challenging This book contains in depth case studies where authors discuss the extent to which the Guidelines can help improve the realities of small scale fishing men and

women globally and make their livelihoods and communities more secure This will require policy intervention and innovation along with contributions of civil society organizations and academia However most of all it will necessitate the empowerment of fishing people so that they can become active participants in decision making on matters where their well being and human rights are at stake By endorsing the SSF Guidelines states have committed themselves to support and facilitate this development This book asks whether states can successfully walk the talk and provides advice as to how they can do so The collection of case studies sets the platform for an interactive dialogue space for researchers policy makers civil society and small scale fishing communities to start the conversation about the monitoring and evaluation of the implementation of the SSF Guidelines at local national regional and global levels An added value is that it helps add focus to our work as civil society activists involved in ensuring the application of the SSF Guidelines Naseegh Jaffer General Secretary World Forum of Fisher People WFFP This collection offers many ways in which institutions enabling small scale fisheries can protect and promote sustainability food security customary tenure self management and market access while fostering such benefits as ecosystem based management protected areas incorporation of local knowledge and poverty alleviation You will want to put this book in the hands of policy makers and practitioners immediately and for years to come Evelyn Pinkerton Professor Simon Fraser University Canada
