## **Guide Right Ethics Young People:**

Ethics for the Young Mind Jerome S. Allender, Donna Sclarow Allender, 2015-11-17 Ethics for the Young Mind is both a curriculum and a story This book is designed to assist teachers and parents in their endeavors to educate young people about behaving ethically Messy ethics practical applications and teaching ethics are the main topics The book begins with a focus on right versus wrong and moves on to an exploration of combining rules with compassion The authors explore what happens when right confronts a conflicting right and the hard work of a meaningful ethical classroom discussion The practical applications provided in the book demonstrate how to stop bullying before the social fabric of a community breaks down Offering vivid classroom and real life examples the book works through the challenges and rewards of creating ethical classrooms and other communities even at home The authors address global concerns and the overall need for adolescents to develop a work ethic to have success in creating an ethical community **Annual Report** New York (State). Counselling Children and Young People in Private Practice Rebecca Kirkbride, 2018-03-22 With statutory CAMHS services often heavily oversubscribed and school and college services mainly offering brief therapeutic interventions parents are increasingly turning to private practitioners for therapy for their children when they need expert emotional or psychological support Working privately with children and families can be a rewarding experience for counsellors and psychotherapists but it can also be fraught with concerns for both practitioners and families alike These concerns can seem so daunting that therapists with clinical experience of therapy with children continue to limit themselves to working only in education or statutory settings This book offers comprehensive guidance to both experienced and novice counsellors to assist them in the process of setting up or adapting their private practice to include children and young people It coherently and systematically addresses the obstacles which stand in the way of practitioners offering this important service effectively and ethically The book is divided into four parts and uses case material to bring to life the areas covered by each chapter
