Write a Book that Doesn't Suck Jaimie Engle, 2019-12-30 Your Book Might Suck But it doesn't have to You are an awesome writer with an incredible fiction story the world needs to experience But your book well it kind of sucks So let's fix that Setting your novel apart from the rest is a choice Fiction is more than a character doing stuff in a place you've invented There are rules to magic and seasons to setting and double meanings to words and a cadence to sentence structure if you want to write a book that doesn't suck I guarantee you will find tricks and treats you've never heard or read before in any other writing book If not let me know and I'll refund your money But if I'm right and my book helps you to write a novel that doesn't suck then I'm asking you in return to leave a positive review That's fair isn't it Ready to get started Great There are questions with space to answer at the end of each chapter to help you along your journey I'm super excited for you and wish you all the luck in writing your novel
