Written in Exile Liu Tsung-yuan,2020-01-15 After a failed push for political reform the Tang era's greatest prose writer Liu Tsung yuan was exiled to the southern reaches of China Thousands of miles from home and freed from the strictures of court bureaucracy he turned his gaze inward and chronicled his estrangement in poems Liu's fame as a prose writer however overshadowed his accomplishment as a poet Three hundred years after Liu died the poet Su Tung p o ranked him as one of the greatest poets of the Tang along with Tu Fu Li Pai and Wei Ying wu And yet Liu is unknown in the West with fewer than a dozen poems published in English translation The renowned translator Red Pine discovered Liu's poetry during his travels throughout China and was compelled to translate 140 of the 146 poems attributed to Liu As Red Pine writes I was captivated by the man and by how he came to write what he did Appended with thoroughly researched notes an in depth introduction and the Chinese originals *Written in Exile* presents the long overdue introduction of a legendary Tang poet **Dancing**

Porter pulls it off Finding Them Gone uniquely draws upon his parallel careers as a translator and a travel writer in ways that his previous books have not. A lifetime devoted to understanding Chinese culture and spirituality blossoms within its pages to create something truly rare. The Los Angeles Book Review To pay homage to China's greatest poets renowned translator Bill Porter who is also known by his Chinese name Red Pine traveled throughout China visiting dozens of poets' graves and performing idiosyncratic rituals that featured Kentucky bourbon and reading poems aloud to the spirits. Combining travelogue, translations, history, and personal stories, this intimate and fast-paced tour of modern China celebrates inspirational landscapes and presents translations of classical poems, many of which have never before been translated into English. Porter is a former radio commentator based in Hong Kong who specialized in travelogues. As such, he is an entertaining storyteller who is deeply knowledgeable about Chinese culture, both ancient and modern, who brings readers into the journey from standing at the edge of the trash pit that used to be Tu Mu's grave to sitting in Han Shan's cave where the Buddhist hermit Butterfly Woman serves him tea. Illustrated with over one hundred photographs and two hundred poems, Finding Them Gone combines the love of travel with an irrepressible exuberance for poetry. As Porter writes, "The graves of the poets I'd been visiting were so different. Some were simple, some palatial, some had been plowed under by farmers, and others had been reduced to trash pits. Their poems, though, had survived. Poetry is transcendent. We carry it in our hearts and find it there when we have forgotten everything else." In praise of Bill Porter, Red Pine: In the travel writing that has made him so popular in China, Porter's tone is not reverential but explanatory and filled with luminous asides. His goal is to tell interested foreigners about revealing byways of Chinese culture. New York Review of Books Porter is an amiable and knowledgeable guide. The daily entries themselves fit squarely in the travelogue genre, seamlessly combining the details of his routes and encounters with the poets' biographies, Chinese histories, and a generous helping of the poetry itself. Porter's knowledge of the subject and his curation of the poems make this book well worth reading for travelers and poetry readers alike. It's like a survey course in Chinese poetry, but one in which the readings are excellent; the professor doesn't take himself too seriously, and the field trips involve sharing Stag bourbon with the deceased. Publishers Weekly Red Pine's out-of-the-mainstream work is canny and clearheaded, and it has immeasurably enhanced Zen/Taoist literature and practice. Kyoto Journal Bill Porter has been one of the most prolific translators of Chinese texts while also developing into a travel writer with a cult following. The New York Times Red Pine's succinct and informative notes for each poem are core samples of the cultural, political, and literary history of China. Asian Reporter Poets' graves visited (partial list): Li Pai, Tu Fu, Wang Wei, Su Tung-p'o, Hsueh Tao, Chia Tao, Wei Ying-wu, Shih-wu, Stonehouse, Han-shan, Cold Mountain. Bill Porter, aka Red Pine, is widely recognized as one of the world's finest translators of Chinese religious and poetic texts. His best-selling books include Lao-tzu's Taoteching and The Collected Songs of Cold Mountain. He lives near Seattle. **Choice**, 2004 **If a Mountain Lion Could Sing** Xin Qiji, 2025-05-06 If a Mountain Lion Could Sing stands as the first major English translation of poems written

by China's greatest lyric poet Xin Qiji World renowned translator Red Pine has found a new dance partner His latest bilingual collection *If a Mountain Lion Could Sing* boasts 126 poems by swordsman visionary and China's greatest lyric poet Xin Qiji Paying respects at the poet's grave and visiting the very places where Xin composed his stanzas the cassia trees of the Wu River houseboats along the Yangzi mountain monasteries Red Pine makes a physical and spiritual exercise of translation Written over 800 years ago and to melodies since lost Xin's verses still leap across centuries mapping real and interior landscapes relaying universal concepts of duty and solitude love and nostalgia Though true mirrors are hard to come by Xin's poems serve as haunting reflections of a man who sang with heroic abandon
