dynamic economy in Asia to ensure prosperity for the future He takes the viewpoint that the only way to achieve this is to promote integration into the global economy through free trade and free capital movement He puts forward a convincing argument that government intervention is not the way forward and has in fact helped cause the present crisis But a prosperous future is possible he argues by renovating institutions and adapting new attitudes A most timely book with lessons for other parts of the world as well as for Southeast Asia

From Islamic Revivalism to Islamic Radicalism in Southeast Asia Kamaruzzaman Bustamam-Ahmad, 2015-04-01 This book presents an ethnographic study of the Jam ah Tabl gh in Kuala Lumpur Malaysia and Banda Aceh Indonesia It explores the nature of organised religious practice within this Islamic missionary group and illustrates the situation of faith amongst the members which is coloured by Sufist elements A central focus of the study is an exploration of the situation of faith or religious awareness of members of Jam ah Tabl gh by undertaking a detailed examination of the aims and distinctive practices of the organisation in individual chapters The book develops a pyramid of religious awareness which enables an understanding of the religious experiences of Muslims in terms of three aspects shar ah haq qah reality and ma rifah gnosis The pyramid offers a conceptual model of an internal problematic common to Muslims in relation to their beliefs and the organisation and conduct of their daily lives The book is particularly significant for the insights it provides into how a desire to reinstate an Islamic caliphate as part of a return to al Qur an and al Sunnah may be realised in the contemporary period through radical yet non violent means drawing heavily on the mosque based form of government implemented by the Prophet Muhammad in Medina This study will also prove to be useful for studies of other non Islamic religious groups where the religious person is one who submits him or herself to God A further argument of the book is the proposal that the highest level of human being is ins n k mil the perfect man that is one who has utilised his active intelligence
