A Bundle of Ballads James Richard William Hingston, 1885 Three Burke Novels, 3-Book Bundle Andrew Vachss, 2013-01-01 Andrew Vachss's Burke is one of the most cold blooded yet strangely honorable protagonists in the history of crime fiction an outlaw who makes his living by preying on the most vicious of New York City's bottom feeders

those who thrive on the suffering of the defenseless In these three thrillers Vachss gives us a series of stories that might have been imagined by Dante For this is a tour of hell with no stops left out conducted by a novelist who writes with the authority of the damned This bundle includes the following titles FLOOD The renegade investigator Burke teams up with a lethally gifted avenger to follow a baby s murderer through the foul catacombs of New York where every alley is blind and the penthouses are as dangerous as the basements Fearfully knowing crackling with narrative tension and written in prose as forceful as a hollow point slug Flood is Burke at his deadliest and Vachss at the peak of his form STREGA The urban mercenary has a new client a deadly and sultry woman who calls herself Strega She wants Burke to find a kiddie porn Polaroid and she s prepared to pay whatever that might cost The search will take Burke back into the fetid river that flows just beneath the city its currents are flesh and money the anguish of children and the pleasure of twisted adults It is a river Burke can navigate only at the risk of unleashing the rage that is never far beneath his icy surface But considering who actually hired him refusing the job isn t an option BLUE BELLE Burke is given a purse full of dirty money to find the infamous Ghost Van that is cutting a lethal swath among teenage prostitutes who work the night streets During the track down job he finds a stripper named Belle whose moves on the runway are outclassed only by her skills as a getaway driver But not even Burke is prepared for the evil that powers the Ghost Van or for the sheer menace of its guardian a skeletal martial artist who wants to add Max the Silent to his long lost of underground fight kills

science fiction horror and suspense Martin's virtuosic talents will surprise and delight even his most devoted fans **A GAME OF THRONES** The only fantasy series I'd put on a level with J.R.R. Tolkien's *The Lord of the Rings* It's a fantasy series for hip smart people even those who don't read fantasy *Chicago Tribune* In a land where summers can last decades and winters a lifetime trouble is brewing As sinister forces mass beyond the kingdom's protective Wall the king's powers are failing his most trusted adviser is dead and his enemies are emerging from the shadows of the throne At the center of the conflict lie the Starks of Winterfell a family as harsh and unyielding as the frozen land they were born to Now Lord Eddard Stark is reluctantly summoned to serve as the king's new Hand an appointment that threatens to sunder not only his family but the kingdom itself **DREAMSONGS VOLUME I** The ideal way to discover a master of science fiction fantasy and horror Martin is a writer like no other *The Guardian* U.K. Gathered here are the very best of Martin's early works including his Hugo Nebula and Bram Stoker award winning stories cool fan pieces and the original novella *The Ice Dragon* from which his *New York Times* bestselling children's book of the same title originated With extensive author commentary *Dreamsongs Volume I* is a rare treat offering fascinating insights into Martin's journey from young writer to award winning master **FEVRE DREAM** An adventure into the heart of darkness that transcends even the most inventive vampire novels *Los Angeles Herald Examiner* Abner Marsh a struggling riverboat captain suspects that something's amiss when he is approached by a wealthy aristocrat with a lucrative offer The hauntingly pale steely eyed Joshua York doesn't care that the icy winter of 1857 has wiped out all but one of Marsh's dilapidated fleet Not until the maiden voyage of *Fevre Dream* does Marsh realize that he has joined a mission both more sinister and perhaps more noble than his most fantastic nightmare and humankind's most impossible dream **THE ARMAGEDDON RAG** The best novel concerning the American pop music culture of the sixties I've ever read *Stephen King* Onetime underground journalist Sandy Blair has come a long way from his radical roots in the sixties until he's drawn back by the bizarre and brutal murder of a rock promoter who made millions with a band called the *Nazg* l As Sandy investigates the crime he finds himself drawn back into his own past For a new messiah has resurrected the *Nazg* l along with a requiem of demonism mind control and death whose apocalyptic tune only Sandy may be able to change **Johnny Ludlow, Sixth Series** Henry Mrs. Wood, 2021-04-26 In the sixth series of the beloved *Johnny Ludlow* stories Henry Mrs. Wood continues to captivate her readers with rich narratives that explore Victorian society through the eyes of a sensitive and observant young boy With her distinctive blend of engaging prose and vivid characterizations Wood delves into themes of love social class and moral dilemmas encapsulating the complexities of human relationships and the challenges faced by her characters in an era marked by rapid change The stories which elegantly weave together elements of romance and realism reflect the literary context of the time resonating with the multifaceted experiences of her contemporaries while also appealing to a broader audience through their universal themes Henry Mrs. Wood was an influential figure in Victorian literature known for her deft storytelling and ability to portray the life and struggles of the English middle class Her own

background shaped by the societal norms and expectations of the era undoubtedly influenced her perspective on youth and morality as evident in her character driven narratives With numerous works to her name Wood carved out a significant niche in the literary landscape drawing readers into her relatable and often poignant tales This collection is highly recommended for readers interested in Victorian literature and those who appreciate nuanced character studies Wood s ability to transform ordinary experiences into extraordinary tales ensures that each story in Johnny Ludlow Sixth Series provides both entertainment and insight making it a valuable addition to any literary shelf Nights in Town Thomas Burke,1915

Nights in London Thomas Burke,1918 **Harper's New Monthly Magazine** Henry Mills Alden,1864 Harper s informs a diverse body of readers of cultural business political literary and scientific affairs The Lancet ,1829 *The Monthly Gazette of Health* ,1830 **The Lancet London** ,1829 **New Peterson Magazine** ,1854 *The Dolphin Girl and the Darker Side of Things* Edward G. Kidder,2022-05-20 *The Dolphin Girl and the Darker Side of Things* By Edward G Kidder Jessica Kingsbury a stunningly beautiful young woman is trying to distance herself from the terribly tragic events life dealt her at a much younger age events resulting in a criminal conviction incarceration mental institutionalization violent physical abuse and long term state mandated supervisions Jessica interacts with a host of elements and people in a small rural town all of whom are pulling at her in a different direction each for different reasons A mature dedicated clinical psychologist with matrimonial problems of her own Dr Jackie Fenton Jessica s lead clinical doctor is trying to balance professional ethnics with very unorthodox curative procedures She struggles with bizarre human elements in this true to life hard hitting fast moving saga of human drama She must use outlandish elements and the dynamic energy of a tough erotically inclined city police sergeant his controlling assistant district attorney girlfriend Jessica s obstinate and determined father and takes career ending chances for the ultimate betterment of her client Jessica all the while dealing with her own latent sexual attraction to a random step in hero who takes it on himself to help Jessica in any way he can placing himself in the middle of the extravaganza This story starts with the seemingly random collision of people and elements meshed together like gears in a recklessly fast spinning machine quickly loses control and rushes toward to an ever uncertain conclusion affecting everyone that is touched by or gets involved with the darker side of *The Dolphin Girl* *Surrender on Demand* Varian Fry,2019-08-09 Varian Fry a young editor from New York traveled to Marseilles after Germany defeated France in the summer of 1940 As the representative of the Emergency Rescue Committee a private American relief organization he offered aid and advice to refugees who found themselves threatened with extradition to Nazi Germany under Article 19 of the Franco German armistice the *Surrender on Demand* clause Fry risked his life to rescue those targeted by the Gestapo in the most gigantic man trap in history Working day and night with a few associates in opposition to France s Vichy government and to American authorities his elaborate rescue network managed to spirit more than 1 500 people including prominent European politicians artists writers and scientists to safety by the time Fry was expelled from France after 13 months *Surrender on*

Demand is by turns wildly exciting horrifying and exalting Certainly there has never been another book like it Varian Fry is a good man Through the people he has helped rescue the doctors the painters the writers the sculptors the teachers he has added to the sum total of the world s happiness an astonishingly good book Russell Maloney The New York Times Surrender on Demand contains enough intrigue and conspiracy enough narrow escapes and shady and flamboyant characters for three or four spy stories But Mr Fry has not written it for excitement He has put down some plain and eloquent facts Orville Prescott The New York Times I have read and heard many accounts of escapes from Europe but none surpasses this restrained and factual narrative in suspense and excitement It tells of many triumphs and some defeats it depicts with vividness and often with humor a large number of interesting and frequently distinguished persons it describes the endless obstacles encountered and the ingenious and constantly changing shifts and devices contrived to overcome them and throughout it makes one feel the undercurrent of potential tragedy which too often became actual New York Herald Tribune Weekly Book Review A novelist would hardly dare pack a novel with so many hair breath escapes Lewis Gannett New York Herald Tribune a brilliant expos of the work accomplished by Fry in Marseille during the tragic days that followed the French defeat Surrender on Demand is a unique contribution to the underground history of the war Josef Forman Free World There are a larger number of highly exciting and almost unbelievable stories in this deeply moving but often also highly amusing book Friends of light adventure novels will undoubtedly like it And friends of humanity will see much more in it than an adventure story although it deals with forging passports with hiding and escaping from detectives with secret messages hidden in a toothpaste tube and with an underground railroad over a well protected border They will see in it a memorial to the man who made what he modestly calls an experiment in democratic solidarity and also to the women and men who sent him on his dangerous mission Henry B Kranz Saturday Review **London Lamps** Thomas Burke,1918
