

The background of the entire image is a detailed, painterly illustration. It depicts a massive, dark, and menacing creature, possibly a dragon or a giant demon, with large, bat-like wings. The creature's body is primarily black and dark grey, with prominent red glowing patterns on its chest and around its eyes. It stands in a powerful, slightly hunched pose over a landscape of ruins. In the lower-left background, the stone walls and towers of a city are visible, appearing desolate and overgrown. The sky is a mix of warm, hazy yellow and orange tones, suggesting a sunset or a fire in the distance. The overall mood is epic and dark.
