

Graduation Speech

Hello. It is an honor for me to be here tonight to bring greetings and congratulations from the school board.

As I began thinking about what I should say to you, I discovered that I could go on for hours talking about your years at (*name of school*) High School . . . about the experiences you've had which prepared you for this day and for the future. I began making notes about all the advice I should share with you and about all of the many topics I wanted to cover.

Then a friend reminded me about the fate of the famous Greek philosopher, Socrates, who lived a long, long time ago.

Socrates was very intelligent. But Socrates gave long speeches, and his friends killed him.

Since I am no Socrates . . . nor do I want to end up like Socrates . . . I will be brief and to the point.

Tonight (*number of graduates*) seniors are graduating from (*name of school*) High School. The room is packed with your friends and relatives, and every person here is proud of you . . . of your accomplishments . . . and of the goals that you have reached. If each of us were to write down a definition of a successful graduate, we would quickly discover that some of the same words and phrases would be repeated over and over again. Common themes would be – dedication, perseverance, integrity, honesty, conscientiousness, dependability and hard work.

From all of the terms used to describe graduates, the one I think should receive top billing is "winner". Each and every one of you is a winner! You have demonstrated through hard work, dependability, conscientiousness,

Childhood Speech and Language Disorders Suzanne M. Ducharme,2016-10-07 Communication is one of life s most fundamental joys yet one often taken for granted until it is lost or fails to develop Yet for millions of children each year the skills that encompass communication stall or do not emerge at all Even a mild disorder or temporary interruption in development can have long term effects and results in serious and far reaching deficits that touch every aspect of a child s life Each year millions of children and their families join the ranks of those who are navigating a life they never expected and frequently feel they are unable to take on While it is critical to address the child s deficits with supports and specific interventions it is equally important to directly address the impact on the family from the marital relationship to the well

being of siblings With a warm and compassionate approach Suzanne Ducharme provides parents with comprehensive information about speech and language development and the intervention process but also delves deeply into the fears concerns and questions that every parent faces when something goes wrong She provides families with information and resources but also support and perspective Using real stories throughout Ducharme is able to illustrate the range of difficulties challenges and triumphs of families who love and support children with speech and language issues **The**
