Survive - Alive - Thrive Mark S. Negley, 2021-05-25 Loss isn t one size fits all It comes in a million different forms and all of them hurt Whatever your situation there is hope you are not alone you will get through this and you can experience true joy again An estimated two hundred million Americans face the pain and confusion of loss every year and most of us have no idea how to handle it We re thrown into the deep end of grief without a life preserver desperately trying to stay afloat in a sea of shock anger frustration heartbreak and hopelessness Mark Negley knows what it s like to face the pain of loss and fight to build a new life from the ashes Over the past thirty years he has faced cancer raised a special needs child lost his beloved mother nearly lost his wife in a car accident and supported her through depression and mental health issues resulting from her brain injuries Tragically in 2016 Mark received the biggest blow of all when his wife of twenty years took her own life Frustrated by the lack of relatable resources to help navigate his grief recovery Mark set out to redefine the loss experience After five years of research in depth interviews with loss survivors and leading grief groups he realized that the problem isn t how we experience grief the problem is that traditional models make it seem too formulaic He found that grief recovery isn t a linear progression from one clearly defined stage to the next rather it s a series of concentric circles like ripples in a pond that emanate from a center point of impact Those circles form three interconnected phases of recovery called Survive Alive and Thrive In Survive Alive Thrive Navigating the Journey from Loss to Hope to Happiness Mark Negley takes you on a journey through his loss experiences using his story and the stories of several others to teach his revolutionary new model of grief recovery You don t have to walk this difficult road alone With the help of Mark and others you can navigate from loss to hope and then to happiness You don t have to settle for survival Set your sights higher and learn how to thrive again The Good News We Almost Forgot Kevin L. DeYoung, 2010-04-01 If there is nothing new under the sun perhaps the main task now facing the Western church is not to reinvent or be relevant but to remember The truth of the

gospel is still contained within vintage faith statements Within creeds and catechisms we can have our faith strengthened our knowledge broadened and our love for Jesus deepened In The Good News We Almost Forgot Kevin DeYoung explores the Heidelberg Catechism and writes 52 brief chapters on what it has shown him The Heidelberg is largely a commentary on the Apostle s Creed the Ten Commandments and the Lord s Prayer and deals with man s guilt God s grace and believers gratitude This book is a clear headed warm hearted exploration of the faith simple enough for young believers and deep enough for mature believers DeYoung writes The gospel summarized in the Heidelberg Catechism is glorious its Christ gracious its comfort rich its Spirit strong its God Sovereign and its truth timeless Come and see how your soul can be warmed by the elegantly and logically stated doctrine that matters most We are great sinners and Christ is a greater Savior
