

The background of the cover is a misty, ethereal forest scene. Sunlight filters through the trees, creating a bright, hazy glow in the center. The trees are mostly bare, with some hints of autumn foliage in shades of pink and orange. The overall mood is contemplative and mysterious.

Principles of Philosophy Michael Jean Nystrom-Schut,2018-10-27 Not just anyone sits down to write their own personal Bible The famous one popular with millions of Christians was penned by 35 40 different authors over a span of some 1100 years As of 1995 it was still considered Guinness the world s 1 best seller of all time In stark contrast Michael s 2 volume Principles of Philosophy was meditated contemplated drafted and written in deep anonymity and solitude over a daily and nightly 30 month span His two books come in at over 800 000 words the same as ten 80 000 word works With the King James Old and New Testament totaling just over 783 000 words it is easy to see why Michael views himself as both prolific plentiful and loquacious talkative when it pertains to laying down thought As the Bible is for millions on the planet Michael feels his principles are also a template an owner s manual a guidebook for in particular how to 1 view life on earth 2 work on

the detail of one's philosophy and worldview and 3 examine and conduct a balanced meaningful existence on this planet The Holy Bible consists of 80 books 39 in the Old Hebrew part 14 in the Apocrypha and 27 in the New Christian part Michael's Principles Volumes One and Two each cover 84 chapters of the basic areas of life as he views them with 21 chapters outlined each for 1 the mental 3 the social and 2 the material 4 the spiritual areas of our lives A detailed numbering system is in place for quick reference to topics Each volume happens to come in at 613 entries making a total of 1226 separate entries in the two books By dictionary definition a principle is defined as a fundamental truth or proposition that serves as the foundation for a system of belief or behavior or for a chain of reasoning This is precisely why he chose principles in the title His own personal philosophical principles are what he tries to practice daily Michael even states they are likely the reason he is still with us in bodily form on the earth and remains in relative possession of his right mind as well Since leaving organized religion early on in life these tenants practiced in balance have been what Michael has focused on for several decades They work well for him In the course of these pursuits he says he has come to thousands of conclusions And they all point to the balanced life As he insists for him it is all about equivalent portions of mind mental body material relationships social and spirituality God the Universe Basically everything can be summed up within these four primary areas of life Michael seems to never hesitate to conclude that he has found his own personal means of salvation in the midst of pursuing his balance of the Principles of Philosophy Tanya Walker wife

BOOK JACKET **Pagan Ethics** Michael York, 2015-08-05 This book is the first comprehensive examination of the

ethical parameters of paganism when considered as a world religion alongside Christianity Islam Judaism Hinduism and Buddhism The issues of evil value and idolatry from a pagan perspective are analyzed as part of the Western ethical tradition from the Sophists and Platonic schools through the philosophers Spinoza Hume Kant and Nietzsche to such contemporary thinkers as Grayling Mackie MacIntyre Habermas Levinas Santayana etc From a more practical viewpoint a delineation of applied pagan ethics is then presented in connection with current moral issues such as same sex union recreational drugs environmental awareness abortion and terrorism Finally overviews of sectarian pagan ethics Shinto Santeria Heathenism Druidry Romuva Slavic Kemeticism Classical and Wicca provide both the general and pagan reader with an understanding of the provocative range and differentiation of pagan ethical thought The book approaches the Western ethical tradition as an historical development and a continuing dialogue The novelty of this approach lies in its consideration of paganism as a legitimate voice of religious spirituality rather than a satanic aberration or ridiculous childish behavior The book is aimed at both the contemporary Western pagan and anyone with an interest in the moral dilemmas of our times and the desire to engage in the global ethical discussion Among the more important features of the book are its presentation of a re evaluation of idolatry the notion of the virtue value the richness of the pagan tradition and the expansion of Western ethics beyond its Christian heritage

Evolution in Science, Philosophy, and Art Brooklyn Ethical Association,1891 **Encyclopedia of Death and Dying** Glennys Howarth,Oliver Leaman,2003-12-16 In recent years there has been a massive upsurge in academic professional and lay interest in mortality This is reflected in academic and professional literature in the popular media and in the proliferation of professional roles and training courses associated with aspects of death and dying Until now the majority of reference material on death and dying has been designed for particular disciplinary audiences and has addressed only specific academic or professional concerns There has been an urgent need for an authoritative but accessible reference work reflecting the multidisciplinary nature of the field This Encyclopedia answers that need The Encyclopedia of Death and Dying consolidates and contextualizes the disparate research that has been carried out to date The phenomena of death and dying and its related concepts are explored and explained in depth from the approaches of varied disciplines and related professions in the arts social sciences humanities medicine and the sciences In addition to scholars and students in the field from anthropologists and sociologists to art and social historians the Encyclopedia will be of interest to other professionals and practitioners whose work brings them into contact with dying dead and bereaved people It will be welcomed as the definitive death and dying reference source and an essential tool for teaching research and independent study *Aaron-Guestchamber* John Rely Beard,1850 **The People's Dictionary of the Bible.
