Kennedy, 1967 *A Study Guide for Robert Graves's "Goodbye to All That"* Gale, Cengage Learning, 2016 A Study Guide for Robert Graves's *Goodbye to All That* excerpted from Gale's acclaimed *Nonfiction Classics for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Nonfiction Classics for Students* for all of your research needs *Good-bye to All that* Robert Graves, 1995 The objects of this autobiography written at the age of thirty three are simple enough an opportunity for a formal good bye to you and to you and to you and to me and to all that forgetfulness because once all this has been settled in my mind and written down and published it need never be thought about again money Thus begins Robert Graves's classic 1929 autobiography with its searing account of life in the trenches of the First World War and yet this opening passage together with much significant material has been unavailable since 1957 when a middle aged Graves totally revised his text robbing it of the painfully raw edge that had helped to make it an international bestseller By 1957 major changes in his private life had taken place Graves was no longer living with the American poet Laura Riding under whose influence and in whose honor the original had been written By cutting out all references to Riding by deleting passages which revealed the mental strains under which he had labored and by meticulously editing the entire text Graves destroyed most of what had made it so powerful but also removed it from the only context in which it could be fully understood We are pleased to offer the original 1929 edition on the occasion of Graves's 100th anniversary edited and annotated by Robert Graves's nephew and biographer whose lucid introduction greatly enhances its value *Goodbye to All That* by Robert Graves (Book Analysis) Bright Summaries, 2019-03-28 *Modern Classics Goodbye To All That* Robert Graves, 2000-10-03 An autobiographical work that describes firsthand the great tectonic shifts in English society following the First World War Robert Graves's *Goodbye to*
