Marriage Ryan Frederick, Selena Frederick, 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love, fiercely fighting for each other and for a Christ-centered marriage every step of the way. Fierce Marriage is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy, but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen time, disconnection, and unrealistic expectations. *A Christ-centered Marriage* Fiona Sterling, 2024-08-08 In *A Christ-centered Marriage: A Christian Couple's Guide to Building a Strong God-centered Relationship*, Fiona Sterling offers a heartfelt and practical guide for Christian couples seeking to strengthen their marriage through the teachings of Christ. The average cost of the occasion now exceeds 25,000, and societal pressure to create the perfect day is so strong that even Christian couples forget what God originally intended for the sacred marriage ceremony. While paying attention to the good fun that follows that special proposal, the dress, the flowers, the cake, the gatherings, etc., *A Christ-Centered Wedding* first serves as a guide to believers who want their wedding to portray the relationship of Christ with the church and to reflect the gospel to all in attendance. From the start, this thoughtful book looks to the Creator of weddings for guidance in planning, by emphasizing the sacrificial love of the Savior more than the modern world's idealistic view of romantic love. There are chapters filled with practical information about everything from pre-marital counseling and choosing a wedding location to other resources like a planning checklist and timeline music.

Walker,Eric Teetsel,2015-06-01 Marriage is not up for debate marriage simply is Today the meaning and purpose of marriage has been lost and it is our fault The prevalence of pornography divorce pre marital sex cohabitation infidelity and a thousand other mistakes have blurred our vision of God s plan for sex family and society to the point of blindness The task before us is not merely to argue against the lie of same sex marriage Though that it is necessary ours is a much larger project It is time to restore among our people a sense of the profound beauty mystery and holiness of faithful marital love It is time to recognize the time for defending the institution of marriage has passed Sadly for far too many the marriages they know are not worth defending Instead Christians must take up the mission to renew and rebuild a culture that values marriage and family To do so we must first understand what marriage is and why it matters **Your Marriage God's Way Workbook** Scott

Randall Lamb,2020-03-05 The centrality of God in all things is not a novel concept to Christianity at least not in theory For centuries it would appear that the Church has somehow allowed herself to remove the God centered gospel definition from marriage and has subsequently fashioned a culturally subjective definition of love marriage and divorce that has left God in many respects far from the center This book however will pay less attention to our own domestic legacies of love marriage and divorce It is more so about the church covenants conditions true fidelity perseverance God centered joy authenticity fraud legalism and apostasy It is a journey into the kingdom of God wherein the visible and invisible church along with love marriage and divorce all seem to collide with the gospel of glory and grace **Each for the Other** Bryan Chapell,Kathy Chapell,2006-08-01 Marriage requires not just love but sacrificial love says Bryan Chapell In his newly revised and updated book Each for the Other he shows married couples how to emulate the unselfish sacrificial love of Christ While imparting invaluable instruction grounded in Scripture Chapell not only helps husbands and wives understand the nature of God s care but also affirms the importance of building a spiritual foundation that binds them together as one By presenting a biblical

model of marriage Chapell encourages couples to dive into the deeper dimensions of their relationship The result he says is a Christ centered marriage and a grace filled family Refreshing and honest Each for the Other is a perfect guide to show spouses engaged couples and marriage counselors what marriage is meant to be *Marriage and the Mystery of the Gospel* Ray Ortlund,2016-10-13 This mystery is profound and I am saying that it refers to Christ and the church Ephesians 5 32 Marriage reveals something of eternal significance From the beginning God designed marriage to convey a greater reality the passionate unfailing redeeming love of God for sinners the eternal romance between Christ and his bride In this volume Ray Ortlund traces marriage throughout Scripture from the first marriage in the garden of Eden to the ultimate marriage in the book of Revelation laying out a transcendent vision of marriage that dignifies our own imperfect unions as a display of the gospel This book offers insight and hope to every married person today Part of the Short Studies in Biblical Theology series
