Maryann Barakso

Governing Now Grassroots Activism In The National Organization For Women:

Governing NOW Maryann Barakso, 2004 Governance structures and strategy choice and change in membership organizations Inventing NOW principles and processes 1966 1971 NOW's strategic evolution Out of the mainstream into the revolution the legacy of NOW's guiding principles 1972 1978 The ERA emergency From the ERA strategy to the electoral strategy The Clinton years and beyond Analyzing grassroots representation and participation Governing NOW Maryann Barakso, 2018-08-06 Boasting more than five hundred thousand contributing members and five hundred chapters nationwide the National Organization for Women has been politically active for more than thirty five years In a book that offers tools for predicting the long term viability of a range of organizations Maryann Barakso traces the political development of NOW According to Barakso NOW's activities and the stances it has taken throughout its history have been shaped primarily by the organization's internal political system Established during the group's founding period NOW's governance structure consists of a set of principles and institutional rules that continue to guide the group's internal political dynamics and its decision making Focusing on interactions between NOW leaders and rank and file members Barakso reveals how the organization's internal structure affects its development and its participation in the wider political arena The author also reveals why strategic change has always been such a contentious issue for the organization the ways in which NOW enhances civic and political engagement and the limits on NOW's future mobilizing capacity **Governing NOW** contributes to a deeper understanding of membership based voluntary associations why they choose some goals and tactics over others why they invest resources as they do and why they join or abstain from coalition politics **The Oxford Handbook of U.S. Women's Social Movement Activism** Holly J. McCammon, Verta Taylor, Jo Reger, Rachel L. Einwohner, 2017-05-05 Over the course of thirty seven chapters including an editorial introduction this handbook provides a comprehensive examination of scholarly research and knowledge on a variety of aspects of women's collective activism in the United States tracing both continuities and critical changes over time Women have played pivotal and far reaching roles in bringing about significant societal change and women activists come from an array of different demographics backgrounds and perspectives including those that are radical liberal and conservative The chapters in the handbook consider women's activism in the interest of women themselves as well as actions done on behalf of other social groups The volume is organized into five sections The first looks at U S Women's Social Activism over time from the women's suffrage movement to the ERA radical feminism third wave feminism intersectional feminism and global feminism Part two looks at issues that mobilize women including workplace discrimination reproductive rights health gender identity and sexuality violence against women welfare and employment globalization immigration and anti feminist and pro life causes Part three looks at strategies including movement emergence and resource mobilization consciousness raising and traditional and social media Part four explores targets and tactics including legislative forums electoral politics legal activism the marketplace the military and religious and educational

institutions Finally part five looks at women s participation within other movements including the civil rights movement the environmental movement labor unions LGBTQ movement Latino activism conservative groups and the white supremacist movement

The U.S. Women's Movement in Global Perspective Lee Ann Banaszak,2006 This ambitious volume brings together original essays on the U S women s movement with analyses of women s movements in other countries around the world A comparative perspective and a common theme feminism in social movement action unite these voices in a way that will excite students and inspire further research From the grassroots to the global the significance of the U S women s movement in the international arena cannot be denied At the same time the way in which international feminism has developed in Asia in Latin America in Europe has altered and expanded the landscape of the U S women s movement forever These distinguished authors show us how Visit our website for sample chapters

The National Alliance of Black Feminists Ileana Nachescu,2025-06-24 Founded in 1975 the non partisan National Alliance of Black Feminists NABF played a critical role in the Black women s liberation movement and the fight for the Equal Rights Amendment The Chicago based organization s Black humanist feminism powered a singular dedication to building coalitions while influencing its historic set of comprehensive political economic and cultural demands Ileana Nachescu places the NABF s history as the bridge between Black women s social activism in the 1970s and the intellectual activism of the 1980s Her account details the NABF s work and how it reflected the group s strong humanist belief in the transformation of all human beings Nachescu also shows that the NABF s post Eighties erasure from movement histories is consistent with how many white feminists marginalized women of color and rejected their leadership From there Nachescu examines Black lesbians vibrant support of the NABF and shows how respectability politics pressured the group to support its lesbian membership in private but maintain a public silence on the issue A rare in depth look at an overlooked organization The National Alliance of Black Feminists tells an untold story of Black women s liberation in the Midwest

Encyclopedia of U.S. Political History Andrew Whitmore Robertson,2010 Annotation st1 behavior url ieooi Unparalleled coverage of U S political development through a unique chronological frameworkEncyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of

government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader's guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors

VOLUME 1 Colonial Beginnings through Revolution 1500-1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

VOLUME 2 The Early Republic 1784-1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U.S. Constitution and the development of the party system

Women's Rights in the United States Tiffany K. Wayne, 2014-12-09 A comprehensive encyclopedia tracing the history of the women's rights movement in the United States from the American Revolution to the present day Few realize that the origin of the discussion on women's rights emerged out of the anti-slavery movement of the 19th century and that suffragists were active in the peace and labor movements long after the right to vote was granted Thus began the confluence of activism in our country where the rights of women both followed and led the social and political discourse in America Through 4 volumes and more than 800 entries editor Tiffany K. Wayne with advising editor Lois Banner examine the issues people and events of women's activism from the early period of American history to the present time This comprehensive reference not only traces the historical evolution of the movement but also covers current issues affecting women such as reproductive freedom political participation pay equity violence against women and gay civil rights

Righting Feminism Ronnee Schreiber, 2012-04-19 When we think of women's activism in America liberal figures such as Gloria Steinem and Betty Friedan invariably come to mind But women's interests are not synonymous with organizations like NOW anymore As Ronnee Schreiber shows the conservative ascendancy that began in the Reagan era has been accompanied by the emergence of a broad based conservative women's movement Righting Feminism shows that one of the key albeit overlooked developments in political activism since the 1980s has been the emergence of conservative women's organizations It focuses on Concerned Women for America and the Independent Women's Forum to reveal how they are using feminist rhetoric for conservative ends outlawing abortion restricting pornography and bolstering the traditional family But ironically these organizations face a paradox to combat the legacy of feminism particularly its appeal to the majority of American women they must use the rhetoric of women's empowerment Indeed Schreiber amply illustrates how conservative activists are often the beneficiaries of the very feminist politics they oppose Yet just as importantly she demolishes two widely believed truisms that conservatism holds no

appeal to women and that modern conservatism is hostile to the very notion of women's activism. And in this updated edition Schreiber takes the story forward with an epilogue that considers the ways in which the politics of representation have changed for both conservative women and feminist activists in the wake of the political ascendancy of figures including Sarah Palin and Michelle Bachmann. Based on numerous interviews with colorful conservative activists and extensive analyses of organizational documents, *Righting Feminism* offers a new way of understanding the unlikely intersection of women's activism and conservative politics in America today.

The U.S. Women's Jury Movements and Strategic Adaptation

Holly J. McCammon, 2012-04-30 When women won the vote in the United States in 1920 they were still routinely barred from serving as jurors but some began vigorous campaigns for a place in the jury box. This book tells the story of how women mobilized in fifteen states to change jury laws so that women could gain this additional right of citizenship. Some campaigns quickly succeeded; others took substantially longer. The book reveals that when women strategically adapted their tactics to the broader political environment they were able to speed up the pace of jury reform while less strategic movements took longer. A comparison of the more strategic women's jury movements with those that were less strategic shows that the former built coalitions with other women's groups, took advantage of political opportunities, had past experience in seeking legal reforms, and confronted tensions and even conflict within their ranks in ways that bolstered their action.

Women Politicking Politely Kimberly Wilmot Voss, 2017-04-05 This book includes the relatively unknown stories of six important women who laid the foundation for improving women's equality in the U.S. While they largely worked behind the scenes, they made a significant impact. In the group are two female political operatives who worked behind the scenes along with four female journalists who also occasionally worked within government to advance women's rights during the 1950s through the 1970s. Much of it centers on Washington D.C. as well as the more unlikely cities of Madison, Wisconsin, and Miami, Florida. It includes the story of a women's page journalist who published an official government report in her newspaper section when the White House refused to release it. This book documents the stories of women who organized to help gain employment for other women and also worked to raise the stature of homemakers. Numerous other issues for women were also addressed. The fight for equality became more visible in the 1960s, although the foundation had been laid as early as the 1950s, fueled by the post-World War II era. Change was initiated by a mix of women in government and women in the news media at times going back and forth in those positions. These particular women were chosen because of their interactions with each other as they rallied around a common cause and because their names were overshadowed by other women's liberation leaders. It is not meant to be an exhaustive story of the fight for women's rights but rather an addition to the great memoirs and scholarship that already exist.

Advocacy Organizations and Collective Action Aseem Prakash, Mary Kay

Gugerty, 2010-11-25 Advocacy organizations are viewed as actors motivated primarily by principled beliefs. This volume outlines a new agenda for the study of advocacy organizations, proposing a model of NGOs as collective actors that seek to

fulfil normative concerns and instrumental incentives face collective action problems and compete as well as collaborate with other advocacy actors The analogy of the firm is a useful way of studying advocacy actors because individuals via advocacy NGOs make choices which are analytically similar to those that shareholders make in the context of firms The authors view advocacy NGOs as special types of firms that make strategic choices in policy markets which along with creating public goods support organizational survival visibility and growth Advocacy NGOs strategy can therefore be understood as a response to opportunities to supply distinct advocacy products to well defined constituencies as well as a response to normative or principled concerns

Understanding Girls Dale Rose Baker, 2016-07-25 *Understanding Girls* Quantitative and Qualitative Research is a retrospective of the author's research that led to receiving the 2013 Distinguished Contributions Award to Science Education through Research This book includes selected articles that document changes in her research approaches and theoretical frameworks The articles represent the evolution of her thinking about the issue of girls in science as well as her impact on science education The author's work is placed in the context of science education research at the time of publication research in education and psychology and the culture of the times She pulls back the curtain that often makes the messy work of research seem straightforward and linear to reveal why she did the research and the methodological decisions she faced She describes the serendipitous nature of some of the work as well as her frustrations in trying to understand data and struggles to insure that she accurately and respectfully presented the voices of girls and their teachers The book also includes some of the earliest research in engineering education preceding the focus on engineering practices found in the Next Generation Science and Engineering Standards *Understanding Girls* provides insights into why girls may or may not decide to participate in science and engineering and what can be done to increase their participation It provides evidence that we have increased girls participation and the challenges that remain to insure that every girl who wants to become a scientist or engineer has the opportunity to do so

Women and Politics Julie Dolan, Melissa M. Deckman, Michele L. Swers, Paru Shah, 2025-08-26 Women and Politics Paths to Power and Political Influence examines the role of women in politics from the early women's movement to the female politicians in power today Focusing on women whose stories have not yet been told this book includes new analysis and scholarship on the experiences and viewpoints of conservative women women of color LGBT women and millennial women Students will gain historical insight into how women have achieved political power and how they have influenced the American political system at the state local and national levels in each branch of government Engaging profiles of the key players who have shaped our political system are interwoven with an analysis of the most recent election data to provide a comprehensive and unbiased introduction to the study of women and politics

The Internet and Democracy in Global Perspective Bernard Grofman, Alexander H. Trechsel, Mark Franklin, 2014-07-08 This volume provides an important update to our current understanding of politics and the internet in a variety of new contexts both geographically and institutionally The subject of e democracy has morphed over the years from speculative and optimistic accounts of a future heightened direct citizen involvement in political decision making and an increasingly withered state apparatus to more prosaic investigations of party and governmental website content and micro level analyses of voters online activities Rather than levelling the communications and participation playing field most studies concluded that existing patterns of bias and power distribution were being repeated online with the one exception of a genuine change in the potential for protest and e activism Across all of these accounts the question remains whether the internet is a levelling communication tool that elevates the profile of marginalised players in the political system or whether it is a medium that simply reinforces existing power and participatory biases While employing case studies from various global perspectives this book investigates the role of digital media and competitive advantage campaigns and the effect of social media online communication as way of fomenting nonviolent revolutions and the undeniable and important role of the internet on democracy around the world

Looking through the Speculum Judith A. Houck, 2024-01-19 Highlights local history to tell a national story about the evolution of the women's

health movement illuminating the struggles and successes of bringing feminist dreams into clinical spaces The women s health movement in the United States beginning in 1969 and taking hold in the 1970s was a broad based movement seeking to increase women s bodily knowledge reproductive control and well being It was a political movement that insisted that bodily autonomy provided the key to women s liberation It was also an institution building movement that sought to transform women s relationships with medicine it was dedicated to increasing women s access to affordable health care without the barriers of homophobia racism and sexism But the movement did not only focus on women s bodies It also encouraged activists to reimagine their relationships with one another to develop their relationships in the name of personal and political change and eventually to discover and confront the limitations of the bonds of womanhood This book examines historically the emergence development travails and triumphs of the women s health movement in the United States By bringing medical history and the history of women s bodies into our emerging understandings of second wave feminism the author sheds light on the understudied efforts to shape health care and reproductive control beyond the hospital and the doctor s office in the home the women s center the church basement the bookshop and the clinic Lesbians straight women and women of color all play crucial roles in this history At its center are the politics institutions and relationships created by and within the women s health movement depicted primarily from the perspective of the activists who shaped its priorities fought its battles and grappled with its shortcomings

The Wiley Blackwell Companion to Social Movements David A. Snow, Sarah A. Soule, Hanspeter Kriesi, Holly J. McCammon, 2023-01-04 The most up to date and thorough compendium of scholarship on social movements This second edition of *The Wiley Blackwell Companion to Social Movements* features forty original essays from the field With contributions from both established and ascendant scholars the Companion seeks to present current research on social movements in all its diversity It is the most up to date comprehensive volume of social science research on social movements available today The essays address facilitative and constraining contexts and conditions social movement organizations fields and dynamics strategies and tactics micro structural and social psychological dimensions of participation consequences and outcomes and various thematic intersections including the intersection of social movements and social class gender race and ethnicity religion human rights globalization political extremism and more Offers an illuminating guide to understanding the dynamics and operation of social movements within the modern global world Covers a diverse range of topics in the field of social movement studies Offers original state of the art essays by internationally recognized scholars *The Wiley Blackwell Companion to Social Movements* is recommended for graduate seminars on social movement and for scholars of social movements worldwide It is also an excellent text for college and university libraries especially with graduate programs in the social sciences

Women and Political Participation Barbara Burrell, 2004-10-26 An illuminating analysis of the long and ongoing struggle of women in America to gain political equality and bring about change in public policy *Women and Political Participation* examines the involvement of women in American

politics concentrating mainly on their participation since the birth of the second women's movement in the late 1960s. From the creation of grassroots and national organizations to voting and running for office, this thought-provoking volume explores the diverse ways in which women have affected change and achieved greater representation in political leadership. Detailed discussions of key documents like the Declaration of Sentiments and the Equal Rights Amendment, political action committees such as EMILY's List, which supports pro-choice Democratic female candidates, Margaret Sanger, Betty Friedan, and other activists, and groups like the League of Women Voters reveal the complexities of women's efforts to gain equality and identify the barriers that remain today.

Women in the American Political System Dianne G. Bystrom, Barbara Burrell, 2018-12-01. This book examines how women candidates, voters, and office holders shape U.S. political processes and institutions, lending their perspectives to gradually evolve American life and values. This book provides an encyclopedic sourcebook on the evolution of women's involvement in American politics from the colonial era to the present, covering all of the individuals, organizations, cultural forces, political issues, and legal decisions that have collectively served to elevate the role of women at the ballot box, on the campaign trail in Washington, and in state and city-level political offices across the country. The in-depth essays document and examine the rising prominence of women as voters, candidates, public officials, and lawmakers, enabling readers to understand how U.S. political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values. The entries cover a range of women politicians and officials, female activists, and media figures, relevant organizations, and interest groups such as Emily's List, League of Women Voters, and National Right to Life. Key laws, court cases, and events such as the Nineteenth Amendment, the Equal Rights Amendment, the Seneca Falls Convention, the passage of Title IX, and Roe v. Wade, and other topics like media coverage of appearance, women's roles as campaign strategists, fundraisers, gender differences in policy priorities, and the gender gap in political ambitions. The text is supplemented by sidebars that highlight selected landmarks in women's political history in the United States, such as the 2012 election of Tammy Baldwin, the first openly gay U.S. senator.

Encyclopedia of American Civil Liberties Paul Finkelman, 2021-02-25. Originally published in 2006, the Encyclopedia of American Civil Liberties is a comprehensive 3-volume set covering a broad range of topics in the subject of American Civil Liberties. The book covers the topic from numerous different areas, including freedom of speech, press, religion, assembly, and petition. The Encyclopedia also addresses areas such as the Constitution, the Bill of Rights, slavery, censorship, crime, and war. The book's multidisciplinary approach will make it an ideal library reference resource for lawyers, scholars, and students.

Governing Now Grassroots Activism In The National Organization For Women Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Governing Now Grassroots Activism In The National Organization For Women free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Governing Now Grassroots Activism In The National Organization For Women free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic.

While downloading Governing Now Grassroots Activism In The National Organization For Women free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Governing Now Grassroots Activism In The National Organization For Women. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Governing Now Grassroots Activism In The National Organization For Women any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Governing Now Grassroots Activism In The National Organization For Women Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Governing Now Grassroots Activism In The National Organization For Women is one of the best book in our library for free trial. We provide copy of Governing Now Grassroots Activism In The National Organization For Women in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Governing Now Grassroots Activism In The National Organization For Women. Where to download Governing Now Grassroots Activism In The National Organization For Women online for free? Are you looking for Governing Now Grassroots Activism In The National Organization For Women PDF? This is definitely going to save you time and cash in something you should think about.
