<u>Hippocrates Woman Reading The Female Body In</u> <u>Ancient Greece</u>

Aleksandra Loewenau, Kerry Sun

Hippocrates' Woman Helen King, 2002-01-04 Hippocrates Woman demonstrates the role of Hippocratic ideas about the female body in the subsequent history of western gynaecology It examines these ideas not only in the social and cultural context in which they were first produced but also the ways in which writers up to the Victorian period have appealed to the material in support of their own theories Among the conflicting tange of images of women given in the Hippocratic corpus existed one tradition of the female body which says it is radically unlike the male body behaving in different ways and requiring a different set of therapies This book sets this model within the context of Greek mythology especially the myth of Pandora and her difference from men to explore the image of the body as something to be read Hippocrates Woman presents an arresting study of the origins of gynaecology an exploration of how the interior workings of the female body were understood and the influence of Hippocrates theories on the gynaecology of subsequent ages **Body**, Dress, and Identity in Ancient Greece Mireille M. Lee, 2015-01-12 This is the first general monograph on ancient Greek dress in English to be published in more than a century By applying modern dress theory to the ancient evidence this book reconstructs the social meanings attached to the dressed body in ancient Greece Whereas many scholars have focused on individual aspects of ancient Greek dress from the perspectives of literary visual and archaeological sources this volume synthesizes the diverse evidence and offers fresh insights into this essential aspect of ancient society Intended to be accessible to nonspecialists as well as classicists and students as well as academic professionals this book will find a wide audience Written Texts and the Rise of Literate Culture in Ancient Greece Harvey Yunis, 2003-02-06 From the sixth through the fourth centuries BCE the landmark developments of Greek culture and the critical works of Greek thought and literature were accompanied by an explosive growth in the use of written texts By the close of the classical period a new culture of literacy and textuality had come into existence alongside the traditional practices of live oral discourse New avenues for human activity and creativity arose in this period The very creation of the classical and the perennial use of Greece by later European civilizations as a source of knowledge and inspiration would not have taken place without the textual innovations of the classical period This book considers how writing reading and disseminating texts led to new ways of thinking and new forms of expression and behaviour The individual chapters cover a range of phenomena including poetry science religions philosophy history law and Mapping Gender in Ancient Religious Discourses Todd C. Penner, Caroline Vander Stichele, 2007 A learning collection of essays on early Christian Jewish and Greco Roman religious discourses in antiquity focusing on the construction of gender in relationship to broader cultural and religious themes argumentation and identity formation in the early centuries The Proceedings of the 18th Annual History of Medicine Days Conference 2009 Aleksandra of the common era Loewenau, Kerry Sun, 2011-12-08 This volume is the first one in a peer reviewed series of Proceedings Volumes from the Calgary History of Medicine Days conferences which are now produced with Cambridge Scholars Publishing The History of

Medicine Days are two day Nation wide conferences held annually in spring at the University of Calgary Canada where undergraduate and early graduate students from across Canada the United States United Kingdom and Europe give paper and poster presentations on a wide variety of topics from the history of medicine and health care The selected 2009 conference papers that are assembled in this volume particularly comprise the history of Ancient Medicine Canadiana Eugenics Military Medicine Public Health Surgery Diseases as well as Sex and Gender perspectives Distinguished Professor of Biology and Chair of the History of Biology Program at Washington University in St Louis USA Dr Garland E Allen held the 2009 keynote address at the conference His topic Evolution Genetics and Eugenics The Misuse of Biological Theory 1900 1945 was largely based on an earlier article in the scholarly journal Endeavour With the permission of the author and editors in chief of Endeavour this article could be reprinted in the current volume where it represents the 2009 keynote address This volume also includes the abstracts of all 2009 conference presentations and is well illustrated with diagrams and images pertaining to the history of medicine Medical Understandings of Emotions in Antiquity George Kazantzidis, Dimos Spatharas, 2022-06-21 This volume focuses on the under explored topic of emotions implications for ancient medical theory and practice while it also raises questions about patients sentiments Ancient medicine along with philosophy offer unique windows to professional and scientific explanatory models of emotions Thus the contributions included in this volume offer comparative ground that helps readers and researchers interested in ancient emotions pin down possible interfaces and differences between systematic and lay cultural understandings of emotions Although the volume emphasizes the multifaceted links between medicine and ancient philosophical thinking especially ethics it also pays due attention to the representation of patients feelings in the extant medical treatises and doctors emotional reticence The chapters that constitute this volume investigate a great range of medical writers including Hippocrates and the Hippocratics and Galen while comparative approaches to medical writings and philosophy especially Plato Aristotle and the Stoics dwell on the notion of wonder admiration thauma conceptualizations of the body and the soul and the category pathos itself The volume also sheds light on the metaphorical uses of medicine in ancient thinking Sex and the Ancient City Andreas Serafim, George Kazantzidis, Kyriakos Demetriou, 2022-05-09 This volume aims to revisit further explore and tease out the textual but also non textual sources in an attempt to reconstruct a clearer picture of a particular aspect of sexuality i e sexual practices in Greco Roman antiquity Sexual practices refers to a part of the overarching notion of sexuality specifically the acts of sexual intercourse the erogenous capacities and genital functions of male and female body and any other physical or biological actions that define one s sexual identity or orientation This volume aims to approach not simply the acts of sexual intercourse themselves but also their legal social political religious medical cultural moral and interdisciplinary e q emotional performative perspectives as manifested in a range of both textual and non textual evidence i e architecture iconography epigraphy etc The insights taken from the contributions to this volume would enable researchers across a range of disciplines e g sex gender studies comparative literature psychology and cognitive neuroscience to use theoretical perspectives methodologies and conceptual tools to frame the sprawling examination of aspects of sexuality in broad terms or sexual practices in particular The Palgrave Handbook of Infertility in History Gayle Davis, Tracey Loughran, 2017-09-01 This ground breaking interdisciplinary volume provides an overdue assessment of how infertility has been understood treated and experienced in different times and places It brings together scholars from disciplines including history literature psychology philosophy and the social sciences to create the first large scale review of recent research on the history of infertility Through exploring an unparalleled range of chronological periods and geographical regions it develops historical perspectives on an apparently transhistorical experience It shows how experiences of infertility access to treatment and medical perspectives on this condition have been mediated by social political and cultural discourses The handbook reflects on and interrogates different approaches to the history of infertility including the potential of cross disciplinary perspectives and the uses of different kinds of historical source material and includes lists of research resources to aid teachers and researchers It is an essential go to point for anyone interested in infertility and its history Chapter 19 is open access under a CC BY 4 0 license via link springer com Aristotle on Sexual Difference Marquerite Deslauriers, 2022 Aristotle on Sexual Difference is a book about Aristotle's understanding of the differences between male and females and men and women It considers what he says about biological differences between the sexes and about psychological differences that he thinks justify different political roles for men and women It discusses the authors who preceded Aristotle highlighting that they treat sexual difference as a misfortune and women as an evil inflicted on men This book demonstrates that Aristotle rejects that view and that he argues for the benefit of sexual difference to animal species and the value of women to their political communities It also traces a connection between Aristotle's accounts of the physiological defects of women and of their Anchoring Science and Technology in Greco-Roman Antiquity, 2024-12-19 This collection of political limitations essays explores processes of innovation in Greco Roman technology and science It uses the concept of anchoring to investigate the microhistories of technological and scientific practices and ideas The volume combines broad theoretical essays with more targeted case studies of individual inventions and innovations In doing so it moves beyond the emphasis on achievement that has traditionally characterized modern scholarship on ancient technology and science Instead the chapters of this volume analyse the manifold ways in which new technologies and ideas were anchored in what was already known and familiar and highlight how once familiar technologies and ideas could themselves become anchoring points for inventions and Pushback Mary Fissell, 2025-03-11 The long history of how restricting access to abortion has been used to innovations curtail women's advancement Attitudes about abortion cycle between long periods of widespread tolerance to repression and back again What accounts for these pendulum swings From ancient Greece to the modern West historian of medicine Mary Fissell argues abortion repression springs up in response to men s anxieties about women s increasing independence In

Pushback Fissell shows that across centuries and continents abortion has always been commonplace and persecuting women for ending pregnancies has been about controlling their behavior As Protestantism de emphasized celibacy new abortion restrictions policed unmarried women s sex lives Nineteenth century men unsettled by first wave feminism hoped to establish medicine as a male profession and so advocated for abortion bans to undercut women s new roles as physicians Fissell presents this history through the hidden stories of women committed to reproductive self determination holy women of the early Catholic Church whose ability to end pregnancies was considered miraculous midwives accused of witchcraft or criminal conspiracy and everyday women whose pregnancies threatened their livelihoods and their lives Pushback is essential reading for understanding the complex history of abortion and making sense of recent crackdowns on reproductive Birthing Salvation Anna Rebecca Solevåg, 2013-10-09 In Birthing Salvation Anna Rebecca Solev g explores the theme of childbearing in early Christian discourse The book maps the importance of women's childbearing in Greco Roman culture and shows how childbearing discourse interfaces with salvation discourse in three early Christian texts the Pastoral Epistles the Acts of Andrew and the Martyrdom of Perpetua and Felicitas Issues of gender and class are explored through an intersectional analysis In particular the institution of slavery and its implications for ideas about salvation in these texts are drawn out Birthing Salvation offers fresh interpretations of these texts including the peculiar statement in 1 Tim 2 15 that women will be saved through childbearing A Companion to Greek and Roman Sexualities Thomas K. Hubbard, 2013-11-21 A Companion to Greek and Roman Sexualities presents a comprehensive collection of original essays relating to aspects of gender and sexuality in the classical world Views the various practices and discursive contexts of sexuality systematically and holistically Discusses Greece and Rome in each chapter with sensitivity to the continuities and differences between the two classical civilizations Addresses the classical influence on the understanding of later ages and religion Covers artistic and literary genres various social environments of sexual conduct and the technical disciplines of medicine magic physiognomy and dream interpretation Features contributions from more than 40 top international scholars The Oxford Handbook of Hellenic Studies George Boys-Stones, Barbara Graziosi, Phiroze Vasunia, 2009-08-20 The Oxford Handbook of Hellenic Studies is a unique collection of some seventy articles which together explore the ways in which ancient Greece has been is and might be studied It is intended to inform its readers but also importantly to inspire them and to enable them to pursue their own research by introducing the primary resources and exploring the latest agenda for their study. The emphasis is on the breadth and potential of Hellenic Studies as a flourishing and exciting intellectual arena and also upon its relevance to the **Aristotle on the Matter of Form** Trott Adriel M. Trott, 2019-10-08 Adriel M Trott way we think about ourselves today challenges the wholesale acceptance of the view that nature operates in Aristotle's work on a craft model which implies that matter has no power of its own Instead she argues for a robust sense of matter in Aristotle in response to feminist critiques She finds resources for thinking the female's contribution and the female on its own terms and not as the contrary to form or

the male World-Changing Women Paul Chrystal, 2025-03-31 Highlights 150 influential women from pre classical civilizations ancient Egypt and Israel reshaping history by defying patriarchal norms Countless books have been written about prominent women in Greece and Rome so we know all about Medea Sappho Lucretia Boudica and Cleopatra and their significant actions and achievements This book extends the invaluable story of women in early history to pre classical civilizations ancient Egypt and Israel to include prominent women in those civilizations as well thus introducing them and their roles and places in their respective societies and social histories to a wide audience The aim of this book is to demonstrate how 150 women most little known significantly influenced informed and changed the worlds in which they lived We show how a small disparate body of women in each of these periods united by their determination and strength of mind were able to break free from the norms and values of the patriarchal societies which confined and restricted them to make a valuable difference to their individual societies cultures politics and foreign policies in so doing they have changed perceptions of women and the role women were subsequently allowed to play Some of the women are well known others less so The book reinforces the reputations of those who have endured popularity over the centuries and where necessary realigns those reputations after years of prejudice and the vicissitudes of sexism misogyny Hollywood and sensationalist literature For those who have been written out of mainstream history and relegated to footnotes at best this is a chance to re introduce them and the impact they have made on their and our world Their relative anonymity does not mean that they are less important on the contrary they are equally significant and the more we know about them the better if we want a rounded picture of the civilizations to which they contributed so much Each chapter is followed by suggestions for further reading to encourage further research Pollution and Crisis in Greek Tragedy Fabian Meinel, 2015-03-09 The first detailed analysis of the important role pollution and its counterparts purity and purification play in Greek tragedy Silence in Ancient Greek Literature Efi Papadodima, 2020-04-20 The volume offers new insights into the intricate theme of silence in Greek literature especially drama Even though the topic has received respectable attention in recent years it still lends itself to further inquiry which embraces silence s very essence and boundaries its applications and effects in particular texts or genres and some of its technical features and qualities. The particular topics discussed extend to all these three areas of inquiry by looking into silence s possible role in the performance of epic and lyric its impact on the workings of praise poetry its distinct deployments in our five complete ancient novels Aristophanic comic and otherwise silences the vocabulary of the unspeakable in tragedy the connections of tragic silence to power authority resistance and motivation female tragic silences and their transcendence against the background of male oppression or domination famous tragic silences as expressions of the ritualized isolation of the individual from both human and divine society. The emerging insights are valuable for the broader interpretation of the relevant texts as well as for the fuller understanding of central values and practices of the society that created them The Disease of Virgins Helen King, 2004-03-01 From an acclaimed author in the

field this is a compelling study of the origins and history of the disease commonly seen as afflicting young unmarried girls Understanding of the condition turned puberty and virginity into medical conditions and Helen King stresses the continuity of this disease through history depsite enormous shifts in medical understanding and technonologies and drawing parallels with the modern illness of anorexia Examining its roots in the classical tradition all the way through to its extraordinary survival into the 1920s this study asks a number of questions about the nature of the disease itself and the relationship between illness body images and what we should call normal behaviour This is a fascinating and clear account which will prove invaluable not just to students of classical studies but will be of interest to medical professionals also Society Frank M. Snowden, 2019-01-01 As seen on 60 Minutes a brilliant and sobering Paul Kennedy Wall Street Journal look at the history and human costs of pandemic outbreaks The World Economic Forum 1 book to read for context on the coronavirus outbreak Well written highly entertaining and relevant Financial Times Best Books of 2020 Readers Choice This sweeping exploration of the impact of epidemic diseases looks at how mass infectious outbreaks have shaped society from the Black Death to today In a clear and accessible style Frank M Snowden reveals the ways that diseases have not only influenced medical science and public health but also transformed the arts religion intellectual history and warfare A multidisciplinary and comparative investigation of the medical and social history of the major epidemics this volume touches on themes such as the evolution of medical therapy plague literature poverty the environment and mass hysteria In addition to providing historical perspective on diseases such as smallpox cholera and tuberculosis Snowden examines the fallout from recent epidemics such as HIV AIDS SARS and Ebola and the question of the world's preparedness for the next generation of diseases

In todays digital age, the availability of Hippocrates Woman Reading The Female Body In Ancient Greece books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Hippocrates Woman Reading The Female Body In Ancient Greece books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Hippocrates Woman Reading The Female Body In Ancient Greece books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Hippocrates Woman Reading The Female Body In Ancient Greece versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Hippocrates Woman Reading The Female Body In Ancient Greece books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Hippocrates Woman Reading The Female Body In Ancient Greece books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature,

making it an excellent resource for literature enthusiasts. Another popular platform for Hippocrates Woman Reading The Female Body In Ancient Greece books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Hippocrates Woman Reading The Female Body In Ancient Greece books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Hippocrates Woman Reading The Female Body In Ancient Greece books and manuals for download and embark on your journey of knowledge?
